The Sausalito Center for the Arts, in collaboration with the National Sculpture Society (NSS), presents *The Art of Form: Perspectives from The West*, a juried sculpture exhibition showcasing contemporary works from 40 accomplished sculptors across the western United States. Opening May 17, the exhibit features 57 works selected from over 100 submissions.

This dynamic exhibition celebrates the power and presence of sculpture—its dimensionality, tactile appeal, and ability to transform space. Jurors include celebrated sculptors Paige Bradley and Rod Zullo, both NSS Fellows, along with SCA Executive Director Shiva Pakdel. The exhibit emphasizes traditional craftsmanship and natural inspiration, a hallmark of NSS's 130-year mission to promote excellence in sculpture.

A \$1,000 Best of Show award, sponsored by the Fantasy Fountain Fund, will be granted to one artist during the run of the show.
