

## Kustom Kars for Kats and Kitties

It's happening (happening, happening)!  
Daredevil dynamite racing rods for all you  
groovy kats and kitties! Body baron George  
Barris' beauteous four-wheel bombers like the  
Bugaloos buggy and the far-out Barris Bear-  
cat!

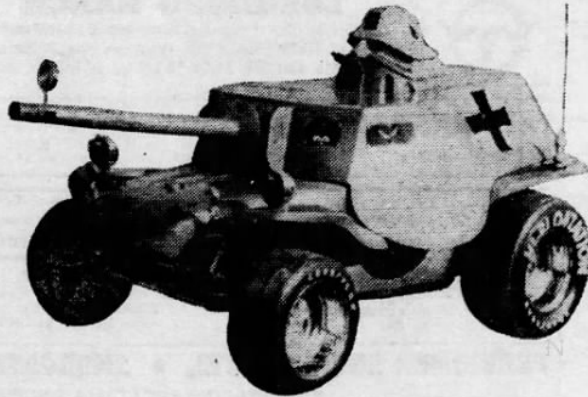

"Mission Impossible's" he-man Peter Lupus,  
live and in-person!

Plus the nation's neatest kustom kars, cycles  
and killer kompetition kruisers, polished to  
their kandy apple and khrome finest, battling  
for barrels of International championship prize  
money!

It's all here (here, here) at the 10th Annual  
World Rod and Custom Car Show, this Friday  
(Friday), Saturday (Saturday) and Sunday  
(Sunday) at Philly's fantastic Civic Center!

Va Va Va VOOMMMM!
