

L2 / L 3 Nursery Practitioner Vacancy

Job description

Emerald Mindset is partnering with a unique and diverse nursery to offer a Level 2 / Level 3 qualified Nursery Practitioner role in Mill Hill. In this special nursery, there is a large focus on outdoor learning and providing children with real life experiences including daily contact with animals.

The Practitioner will be working on a variety of indoor and outdoor based child care and development tasks. Qualities required:

- Level 2 or above
- Passion for childcare, and child development
- Adaptable to the needs of the nursery and organisation
- Ability to be flexible within your job role
- Experience being a key worker
- Building relationships with parents and children
- Excellent communication skills written and verbal
- Open to feedback on practice, to provide the best for the children

Benefits include:

- First aid training within 3 months of stating with us
- Refer a friend bonus (up to £200)
- Access to north pass training, health and safety and food hygiene before you start with us, to ensure you start with the best knowledge for your role
- 3 days paid training per year
- Monthly purchase order completed by classrooms for resources for the classroom
- Weekly messy play Morrison's order based on list given from classroom
- Work tops and shoes provided
- Tea, coffee, breakfast, and variety of snacks provided daily
- Event days for staff (Nursery practitioner day, thank you mornings, Christmas party)
- Well-being officers for staff
- Open door policy for management
- Access to perk box, Staff treats and health e-sured apps
- Career progression
- Trips out to the local community and to the farm
- Exciting and unique environment to work in

Working week: Mon – Fri , 8 hour shift between the hours of 8am and 6pm, no weekends

Salary: Up to £25,000 per year
