REPORTS

TREASURER

Dick provided information on the financial status of the Club including the December revenues (\$123,155) versus expenses (\$100,712) and those members resigning in good standing. Dick reported on 2 members whose payments are in arrears and who are paying when they can against their outstanding balances, but who are not "catching up" and continue to fall further behind against their outstanding balance. He also reported on a number of members whose payments are in arrears and are making no attempt to pay down the balance. This second group have been contacted, with certified letters also having been sent per the by-laws. Following a discussion amongst the Board regarding possible ways to deal with the delinquent accounts, a motion was made to notice the 2 members that have been making some payment to the Club and advise them that they need to pay 50% of their balance immediately and the remaining balance within a 3 month time frame, as well as keeping current with their current monthly charges. Dave Kays seconded the motion which was passed by a unanimous vote. Dave Kays then moved to have the second group of members that are in arrears notified that they have 10 days to pay the balance owed and remove their boats. They will be referred to collections for non-payment if charges are not satisfied. Barbara seconded the motion, and the vote was unanimous in favor of the motion. Barbara then moved to approve the Treasurer's report. Dave Kays seconded the motion which was unanimous in favor of the motion.

MEMBERSHIP

Jerry stated that 61 members were present at the meeting. There are 28 water slips and 1 trailer slip available. Membership totals 400 presently. Barbara pointed out that the 400-membership number does not include those members who are exempt from paying dues due to their seniority in the club, honorary members, etc.

SOCIAL

Ed spoke about the complaint made to the County/State regarding the Pit and that the issues raised by the inspectors will be addressed.

PLANNING

Chuck said that he wants to receive input from members regarding the types of activities they would like to see.

OLD BUSINESS

TREASURER

Dick reported that the recent complaint regarding the Pit is not the only complaint filed. He stated that the airport administrator has received numerous anonymous complaints regarding the state of our docks, etc. He suggested that whoever is reporting the issues does not have the best interest of the Club in mind and Dick would like to hear from anyone knowing who has been making the complaints.

NEW BUSINESS

DOCKS & GROUNDS

Dave Plotnik stated that he would like to put a committee together to help with the Docks & Grounds tasks and will get dates together for future ACME days. He asked that people who have their boats and/or trailers located behind the Pilot House, please give their information to Natasha so that there is a proper record.

MEMBERSHIP

Jerry spoke about the possibility of joining the Florida Council Yacht Club. Dave Kays indicated that LSBC would not be eligible and that the matter not be considered.

VICE COMMODORE

Miranda advised that there will be weekly meetings of the Capital Improvement Committee on Thursday evenings. She advised that she sent an expenditure document to all Board members via email.

She also stated that she will be putting together a charity committee and would like to focus on child foster care organizations.

COMMADORE

Dave Kays reported that Sheldon Crabtree will be continuing on as Chair of the By-Laws Committee and Lloyd Sigrist will continue as the Sargeant at Arms.

50/50 Roy Pisut won \$55.

CARD GAME Linda Schmal picked a card but not the joker.

GOOD OF THE ORDER

- Tom Freehling indicated that he was in favor of making it easier to become a member and so not needing a sponsor.
- William Buckner spoke about ways used to disable boats whose accounts are in arrears.

The meeting was adjourned at 8:15 PM.SOCIAL
