

Decrees for USA

We take hold of Your covenantal promises: salvation, healing, deliverance, protection, freedom, provision, wisdom, power and authority over all the works of the devil, deliverance from evil, power to overcome and triumph through Christ Jesus and to proclaim victory in His name! No word or prophetic promise that You have ever spoken concerning Israel, the Church, this nation, or even our own lives has been altered. Your covenantal promises stand forever! Your Word is infallible Truth, and through salvation, we, Your heirs, receive and operate in the fullness of our inheritance!

We rise with a united voice to release our shout of triumph with an expectation that You have gone before us and that You have given us this land. We hold fast to the promise that “America shall be saved!” This is the time! In the name and the authority of Yeshua the Messiah, our shout shatters, dismantles, and causes evil agendas to fall and crumble! Our prayers of faith and agreement become the fulcrum that rests on the truth of Your Word and Your will, and our press in prayer and agreement exerts power to set things in motion to shift what needs to be shifted and to move what needs to be moved in order to pivot things and bring this nation back into alignment with Your timing and Your intentions!

We shout, “Grace! Grace!” to every wall of demonic opposition that has stood, and still attempts to stand, in opposition to the will, verdict, and purposes of Yahweh for this nation, and God’s roar through us releases His authority into this land. As our shout reverberates with Your sound, those walls will fall and crumble beneath our feet as we march forward with Your victory!

We, your governing Ekklesia, rise with unrelenting boldness, fearless obedience, and unmatched authority in the name of Jesus to advance with Your purposes. It is not by our might or strength that these walls will fall, and shift and change will come; it is by the power of Your Spirit working in us and through us to accomplish Your purposes!

Father, we step into this allotted moment, and we will run with the evidence of Your glory! We decree this is the time of awakening revival and reformation. We are crossing over from the place of darkness and confusion into the manifested Light of Your glory, and with undaunted obedience to Your directives, we will have unprecedented breakthrough, and this nation will rise, renewed and realigned with Your Kingdom purposes!

We declare that the adverse winds seeking to destroy this nation are now being overtaken by the Wind of Holy Spirit as He blows upon us to re-life this nation with a tangible blast of the breath of God to initiate an awakening to an awareness of Him that cannot be avoided or denied! We declare that every form of evil that has been influencing our culture, government, and the minds of the people is now being broken by the power and the authority of Yeshua!

We shout His name over this nation, over our families, over our government, over our school systems, over our churches, and over our lives! “Jesus! Jesus! Jesus!” We shout the holy and all-powerful name of Jesus! At His name demons flee! No enemy can withstand Him! At His name bondages are broken! At His name, eyes open to see truth. Ears open to hear truth. At His name the spirit of delusion breaks! We shout, “SEE! SEE! SEE!”

We decree that hearts are returning to You! The billion-soul harvest will be reaped! America is being saved. We are anchored in Jesus! We are established on the foundation of Your Word and the precepts of Your original “foreword,” Your intentions for the existence of this nation.

We decree that we are one nation under God, indivisible with liberty and justice for all!

We decree that America is still the land of the free and the home of the brave.

We decree that God has shed His grace on this land, and we are crowned with brotherhood from sea to shining sea.

We decree, Jesus, that this land of the United States of America is Your land! You are King and Lord of this nation!

We decree that the Gospel will go forth into all of this land and out from this land to impact the world with the hope and reality of Jesus Christ.

We decree that now is the time for revival, awakening, and transformation in this land and in our world.

We declare an uncovering and a dismantling in the camp of the enemy! No weapon that has been formed against the plans and intentions of God for our nation will prosper. Every snare is broken!

We declare that the awakened Ekklesia is marching to the command of Holy Spirit, and like Joshua of old, we take hold of Your covenantal promises, Yahweh, and You will watch over every word and promise to perform them!

We declare that the tables are being overturned, and underhanded deals, plots, plans, ploys, and schemes of evil intentions are being revealed and unraveled, and justice will be served!

We declare that our unified shout of triumph is overpowering and silencing the bullying spirit that has operated in an evil effort to intimidate and silence those who stand on and declare Your Truth!

We decree that fear has lost its ability to control the minds of people through their emotions, and the spirit of intimidation is bound and gagged by the proclamations released out of the mouths of God's governing Ekklesia!

We decree that the Spirit of God is freeing the voices of the bearers of truth! The key of triumph is in our mouths, and we insert the key!

We release our shout unto God with the voice of triumph!

We decree that infirmity shall not overtake our bodies. The power of God goes forth to undo and reverse every work of darkness. The peace of God permeates our atmosphere. Father, You declared in Your Word that You take sickness from among us. No weapon formed against us will prosper. We disallow and renounce every curse and attempt from hell to impair us.

Those curses and attempts are being dismantled and destroyed by the Word of truth, the power of the blood, and the authority of the name of Jesus. By His stripes we are and were healed! We confess You, Jesus, as Lord, and we are saved, healed, delivered, protected, preserved, and made whole.

We take hold of these promises! This is our heritage from the Lord.

We release our shout of triumph into America and into the nations! We will not stop! We release our key weapon that turns things and sets things back into God's order and timing!

We will not come down off the wall!

We stay the course! We set our faces like a flint!

We will not grow weary in our assignments or in well doing, and we will see the salvation of the Lord!

In the name and in the authority of the Lord Jesus Christ, amen! It is so!!

(RELEASE YOUR SHOUT OF TRIUMPH UNTO THE LORD!)
