QUEENSLAND HEAVY MAINTENANCE

CAPABILITY STATEMENT 2023

ABOUT US

Queensland Heavy Maintenance Group is a trusted and experienced provider of specialized mobile machinery repair services in the resource-rich Bowen Basin region. With over 15 years of industry expertise, QHM Group has built a reputation for delivering high-quality solutions to meet the unique demands of our clients. We are your trusted partner for diesel fitters and boilermakers, offering specialized skills and a commitment to excellence.

Discover Queensland Heavy Maintenance Group: Where Your Success is Our Commitment

QHM Group, located in Mackay and dedicated to servicing the mining sector, excels in delivering high-quality mobile plant maintenance solutions. With an unwavering commitment to precision, safety, and industry expertise, we drive operational efficiency and excellence for your success.

■ WHAT DO WE DO?

QHM Group specializes in providing solutions for adhoc works, customized rosters, emergency breakdowns, and planned shutdowns across the Bowen Basin. Our flexibility for employees and responsiveness for clients means we can deliver a service that is customized, reliable, and consistently exceptional.

■ OUR SERVICES

01

Diesel Fitters: Our skilled diesel fitters are equipped to handle a wide range of mobile machinery repairs and maintenance. Whether it's routine servicing, major overhauls, or emergency breakdown support, our team ensures minimal downtime and optimal equipment performance.

02

Boilermakers: Our Boilermakers are available with weld trailers for all welding, fabrication, and structural repairs on mobile machinery. Our commitment to safety and precision ensures your equipment is always in compliance with industry standards.

03

Business Consulting: We are available to assist small to medium businesses with foundational setup and staff training. We provide expert guidance to streamline operations and empower your team, fostering growth and success.

OUR VALUES

**COLLABORATIVE
PARTNERSHIP**

**FAMILY-FRIENDLY
FLEXIBILITY:**

**SAFETY-DRIVEN
INNOVATION:**

At QHM Group, our values are the foundation of our achievements. We uphold Collaborative Partnership, fostering trust and open communication among our dedicated team and valued clients. We prioritize Family-Friendly Flexibility, ensuring work-life balance for all, and Safety-Driven Innovation, creating a secure, innovative, and caring environment.

These values are reflected in everything we do, from the way we work with our clients to the development of new products and services. We understand that our clients are our partners, and we work collaboratively with them to achieve their goals. Our team is dedicated to providing the highest level of service and support, and we strive to create a culture of trust and open communication that fosters innovation and creativity.

We also recognize the importance of work-life balance, and we are committed to providing a family-friendly environment that supports the needs of our team members. We believe that happy and healthy employees are more productive and engaged, and we work hard to ensure that our team members have the flexibility and support they need to thrive.

Finally, safety is at the core of everything we do. We believe that a safe and secure environment is essential for our team members and clients. We are dedicated to constant innovation, seeking new ways to enhance safety across our operations. Our commitment to safety extends beyond compliance; it is a fundamental value that guides our actions, demonstrating our unwavering dedication to the well-being of all involved.

At QHM Group, we are proud of our values and the impact they have on our business, our team members, and our clients. We believe that by upholding these values, we can continue to achieve great things and make a positive difference across the industry.

WHY CHOOSE US?

Selecting Queensland Heavy Maintenance Group means choosing a collaborative partner with open communication and trust at our core. We prioritize family-friendly flexibility, ensuring work-life balance for everyone. Our unwavering commitment to safety-driven innovation creates a secure, innovative, and empathetic environment, setting industry standards. With over 15 years of industry expertise, we are your trusted partner for reliable and efficient maintenance support.

At QHM Group, we believe in investing in our people, providing them with the necessary training and development opportunities to ensure that they are equipped with the skills and knowledge to excel in their roles. We foster a culture of continuous improvement, constantly seeking new and innovative ways to improve our processes and deliver exceptional service to our clients.

We take pride in our reputation as a trusted partner in the mining industry, and we are committed to maintaining the highest standards of professionalism and integrity in everything we do. Whether you require routine maintenance or complex repairs, you can trust QHM Group to provide the reliable and efficient support you need to keep your mobile machinery operating safely and smoothly.
