Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the

specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an

employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

C11.00 UNION REPRESENTATION AS IT RELATES TO CENTRAL BARGAINING

Negotiations Committee

At all central bargaining meetings with the Employer representatives the union will be represented by the OSBCU negotiations committee.

The permanent employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the work year and during a period for which the permanent employee would normally be paid. * “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

LETTER OF UNDERSTANDING #2

BETWEEN

**The Canadian Union of Public Employees
(Hereinafter 'CUPE')**

AND

**The Council of Trustees' Associations
(Hereinafter the 'CTA/CAE')**

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a. In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b. In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this

consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b. Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).
7. The above language does not allow trade-offs between the classifications outlined below:
 - a. Educational Assistants
 - b. DECEs
 - c. Secretaries
 - d. Custodians
 - e. Cleaners
 - f. Information Technology Staff
 - g. Library Technicians
 - h. Instructors
 - i. Supervisors
 - j. Central Administration
 - k. Professionals
 - l. Maintenance/Trades
8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
9. This Letter of Understanding expires on August 30, 2026.

ARTICLE X - JOB POSTING (Continued)

- 10.05 a) When temporary positions are created, which are in excess of the regular complement, the Board may hire temporary personnel to perform bargaining unit duties for a specific period of time. Such personnel may not be hired for a period to exceed four (4) months except by mutual consent between the Board and the Union.

The employee may elect to return to their bargaining unit position at any point during their non-union acting assignment, subject to the employee providing sufficient reasons in writing to their supervisor for ending the assignment. The date of ending the assignment will be mutually agreed between the employee and the supervisor.
- iv. After two years in the non-union acting position, the Union member must return to their bargaining unit position or resign their bargaining unit position.
- v. If the employee chooses to give up their bargaining unit position, the employee will cease to be a member of CUPE 1628 and their position will be posted.
- vi. The two years may be extended, for exceptional circumstances, with the mutual agreement of the Board and the Union.

10.12 An employee, subject to their agreement, may be temporarily transferred within the bargaining unit for up to 3 months or longer provided that the Union receives notification from Human Resources in advance.

This Article 10.12 does not supersede the requirements of the job posting provisions of the Collective Agreement

10.13 Any employee who has been successful in a job competition must remain in the permanent position for a six (6) month period before applying for another position, unless they have the approval of the Executive Officer of Human Resources Support Services or designate. Notwithstanding the above, the employee may apply for a position in a higher or lower salary level, or permanent part-time employees may apply for permanent full-time positions.

ARTICLE XI - PROBATIONARY PERIOD

- 11.01 A newly hired person is considered to be on probation for a period of six (6) calendar months after the date of their commencement of employment with the Board. Notwithstanding the provisions of Article VI, the Union acknowledges that it is the right of the Board to demote, suspend with or without pay, discharge or otherwise discipline a probationary employee for any reason at the sole discretion of the Board subject to Article 24.01 and the right of a probationary employee to grieve any discipline or discharge for strike or lockout related misconduct. Neither the Union nor any employee will question the dismissal or discipline of any probationary employee, nor shall the dismissal or discipline be the subject of a grievance.
- 11.02 A probationary employee shall be entitled to all the rights and privileges of the Collective Agreement unless specifically referenced otherwise.
- 11.03 The probationary period under Article 11.01 shall be extended for employees who during their probationary period are absent from work due to WSIB or unpaid medical leave. The probationary period shall be extended by the length of time that an employee is absent.
- 11.04 Notwithstanding the foregoing, the probationary period may be extended by mutual consent of the employer and the union.

ARTICLE XII – SENIORITY

- 12.01 The following rules governing seniority are designed to give employees an equitable amount of job security based upon their qualifications to perform the work that is available and their seniority with the Board. Seniority should be based on the date of hire with the employer.
- 12.02 Seniority as referred to in this Agreement shall mean the length of continuous service in the employ of the Board or its predecessors, in a position now included in this bargaining unit or the bargaining unit represented by C.U.P.E. and its Local 2544. However, employees employed under the Local 2544 collective agreement shall have no seniority rights under this agreement unless and until they become employed in this bargaining unit.
- 12.03 A newly hired person will be on probation until after they have completed their probationary period as outlined in Article XI. After this probationary period they will then be considered a seniority employee and their seniority will date back to the date of hiring. Notwithstanding the provisions of Article VI, the Union acknowledges that it is the right of the Board to demote, suspend with or without pay, discharge or otherwise discipline a probationary employee for any reason at the sole discretion of the Board subject to Article 24.01 and the right of a probationary employee to grieve any discipline or discharge for strike or lockout related misconduct. Neither the Union nor any employee will question the dismissal or discipline of any probationary employee nor shall the dismissal or discipline be the subject of a grievance.
- 12.04 Seniority lists will be maintained for all permanent/probationary employees and will be posted electronically on the internal Job Board on May 1st and November 1st of each year. One list will be in order of starting date of employment with the Board and a second seniority list will show all employees in alphabetical order.
- 12.05 a) When the Board determines to lay-off or recall employees on the seniority list set out in Article 12.04, the seniority of employees shall be the determining factor except: (a) in cases of lay-off which include personnel who have been trained in particular job functions which remain a job requirement, such personnel will not be laid off unless more senior members of the bargaining unit who would otherwise be laid off, are fully capable of carrying out the special functions; (b) in cases of recall where the work which becomes available is of a special nature, the most senior member of the bargaining unit on the lay-off list capable of carrying out the special function will be recalled.
- b) When the Board determines to lay-off or recall employees, the following procedure will apply:

ARTICLE XII – SENIORITY (Continued)

Regulations

- i) This procedure does not apply to employees on lay-off related to normal school vacation periods (i.e. Christmas, mid-winter and summer).
- ii) An employee may only “bump” or be recalled to a position when, in the judgement of the Board, that employee has the skill and ability to successfully perform in the identified position.
- iii) Where the terms “Seniority” or “least senior” are used, it indicates Regional Seniority.
- iv) Office Managers, Budget Office Assistants and Assistants to the Superintendents will be considered “protected” by location, and, therefore, the last employee(s) to be declared surplus. Notwithstanding the above, Office Managers, Budget Office Assistants and Assistants to the Superintendents may be bumped in accordance with Step 9 or 10.
- v) Probationary employees will be laid off before seniority employees. Probationary employees do not have bumping rights and will not be included in a lay-off/recall list.
- vi) For the purpose of this Article, an employee shall be deemed to be laid off from their position and thus entitled to exercise the bumping rights described below if:
 - a) the employee’s normal weekly scheduled hours are reduced from more than twenty-five (25) hours per week to twenty-five (25) hours or less per week, it being understood that any other reduction in hours (that is, any reduction not crossing the said threshold) shall not be considered to be a lay-off and shall not give rise to any bumping or recall rights; or
 - b) the employee is identified as excess to a position or location.

Lay-off Procedure

Step 1

Human Resources will determine the number of full-time equivalent positions identified to be declared surplus.

ARTICLE XII – SENIORITY (Continued)

12.05 b) Lay-off Procedure (continued)

Step 2

By Regional Seniority, Human Resources will determine those employees who are Surplus to Region.

Step 3

The Executive Officer of Human Resources Support Services, or designate, will notify the Union, Supervisors and the affected employees, in writing, of all lay-offs and the effective dates.

Step 4

Employees declared Surplus to Region will be advised of their lay-off/recall rights under the Collective Agreement by Human Resources.

Step 5

Human Resources will determine employees who are Excess to Location or who have had a Reduction in Hours sufficient to constitute a lay-off in accordance with Article 12.05 b) vi) a).

Step 6

Excess employees or employees affected by a reduction in hours will be advised in writing of their rights under their Collective Agreement by Human Resources.

Step 7

Positions which become vacant due to Surplus to Region declarations will be integrated into the bumping process. For purpose of the bumping process only, these positions will be deemed to be positions held by the “least senior employee” in their respective job levels as that phrase is used in Steps 9 through 11. If these positions are not filled through the bumping process, they may be filled in accordance with Article X. Employees who are declared Surplus to Region will not be allowed to apply for postings created under Article X but will be eligible for recall in accordance with the recall provisions of the Collective Agreement.

ARTICLE XII – SENIORITY (Continued)

12.05 b) Lay-off Procedure (continued)

Step 8

Employees who are laid off in accordance with Article 12.05 b) vi) will have the opportunity to apply for Article X postings.

Step 9

Employees who are laid off in accordance with Article 12.05 b) vi) and who have not posted into an alternative position may bump the least senior employee in the same job level. Notwithstanding the foregoing, an employee laid off in accordance with Article 12.05 b) vi) a) will have the opportunity to bump the least senior full-time employee in the same job level or at a lower job level. Full-time employees who are laid off in accordance with Article 12.05 b) vi) a) and who exercise their seniority to bump a part-time employee may only do so when it results in their gaining additional hours of work per week.

Part-time employees who are eligible to exercise their seniority rights in accordance with this Article may only exercise those rights to bump other part-time employees occupying positions with the same number of hours per week or less.

Step 10

The least senior employee in the job level may 'bump' the least senior employee at the next lowest job level, and so on through the various levels.

Step 11

Human Resources will identify the employee(s) who may be bumped based on seniority and the laid off employee's capability to successfully perform in the identified position.

Step 12

Employees identified as being Excess to Location pursuant to Step 5 or employees bumped out of their positions have the right to choose lay-off rather than exercise their bumping rights.

Step 13

A Lay-off List (in seniority order) will be prepared of those staff declared surplus as well as any excess employees who voluntarily chose lay-off.

ARTICLE XII – SENIORITY (Continued)

12.05 b) Recall Procedures

Step 1

Human Resources will recall employees on the basis of seniority and ability to perform in the vacant position. A vacant position is considered one which has been posted and for which no suitable, qualified candidate has been successful. Notification will be made, in writing, by the Human Resources Services Department, in accordance with Article 12.08 of the Collective Agreement.

Step 2

Employees will be recalled only to positions at or below their job level. If a job goes 'external' and is at a higher level than any of the employees on the Lay-off List, then employees on the Lay-off List will be considered for any position which they are qualified to perform.

Step 3

If an employee chooses not to accept the vacant position, that employee is considered to have waived their right to recall confirming their termination of employment from the Board.

Step 4

If the employee's recall rights under the Collective Agreement expire and the employee has not been successful in obtaining a position, written notice of termination will be given by the Executive Officer of Human Resources Support Services or designate.

Step 5

The Human Resources Services Department will keep Supervisors and the Union informed regarding:

- a) Who is affected by lay-off and the effective date.
- b) Who is affected by the "bump" of another employee and the effective date.
- c) Who is being recalled to open positions and the effective date.

The Union will receive copies of all written notifications sent to employees regarding bumping, lay-offs and recalls.

ARTICLE XII - SENIORITY (Continued)

- 12.06 In accordance with Article 12.05, employees who are laid off because of lack of work will be retained on the seniority list for a period equal to their seniority at the time of lay-off, but in no event to exceed twenty-four (24) months. During that period they will be subject to recall if suitable work becomes available which they are qualified to perform.
- 12.07 In the event the Board shall combine, condense or consolidate any of its operations, the Board of Education, Human Resources Services Department agrees to discuss seniority rights, recourse, etc. with the Union and employees of Local 1628 that are declared excess to a particular school, field office or department before excess to area or termination letters are delivered to those affected.
- 12.08 Recall to work shall be by email and registered letter addressed to the last address recorded by the employee with the Board. It shall be the duty of the employee to notify the Board promptly of any change of address. Should an employee fail to do this, the Board shall not be responsible for failure of a notice sent by registered mail to reach such employee. An employee who is recalled to work must signify their intention to return within five (5) working days after a notice of recall has been sent out and must return within a further five (5) working days or forfeit their right to recall.
- 12.09 Seniority previously accumulated will be lost and the employee's service deemed terminated whenever an employee:
- a) voluntarily leaves the employ of the Board;
 - b) is discharged and is not reinstated through the grievance or arbitration procedure;
 - c) is absent from work without permission and without a reasonable explanation;
 - d) fails to return to work upon termination of an authorized leave of absence, unless excused by the Board, or utilizes a leave of absence for purposes other than those for which the leave of absence was granted;
 - e) retires.
- 12.10 For an employee who is hired or transferred into a position which is not included in either this bargaining unit or the bargaining unit represented by C.U.P.E. and its Local 2544, seniority shall not accumulate while the employee is in such external position. However, such employee shall retain their full seniority accumulated while in a position within C.U.P.E. Local 2544 or 1628, pursuant to Articles 12.02 and 12.04.

ARTICLE XII - SENIORITY (Continued)

- 12.11 Notwithstanding the provisions of paragraphs 12.05 a) and 12.06, the Union President, Vice-President, Treasurer and Executive Steward shall continue to work in the event of a lay-off or shall be the last to be laid off and the first to be recalled.

- b) It is understood that the Board will prepare a regular schedule of hours to be worked by employees. RE: ASSISTANT OFFICE MANAGER, SECONDARY - ALLOWANCE

All secondary schools must select an incumbent to receive the Assistant Office Manager - Allowance. The Office Manager or Budget Office Assistant are not eligible for this allowance.

If a secondary school has an incumbent in place who is receiving the Assistant Office Manager allowance, that incumbent must have a review every two (2) years. Secondary schools which do not have an Assistant Office Manager must follow the process outlined in the "Workflow Re: Assistant Office Manager, Secondary – Allowance," which was last issued in December 2020.

LETTER OF UNDERSTANDING #2

RE: CUPE 1628 FLOATERS

The recommendations of the committee will be presented to the Executive Officer of Human Resources no later than one (1) year from the ratification date.

The suggestions of the committee will be considered before any final decision is made by the Board.

LETTER OF UNDERSTANDING #3

RE: JOB DESCRIPTIONS

At recent collective bargaining negotiations, it was agreed that the Board will provide the Union with copies of new and amended job descriptions for positions within the Union.

The Board will update all job postings to reflect the responsibilities, qualifications, skills and abilities required for the position no later than one (1) year from the date of ratification of the collective agreement.

LETTER OF UNDERSTANDING #4

RE: OMERS CONTRIBUTORY EARNINGS

The parties agreed that this Letter of Understanding is for information purposes only and is not grievable.

As a reference for employees, the parties have agreed to include the definition of contributory earnings under the OMERS Pension Plan, as amended from time to time. For more information, employees may access the OMERS website at www.omers.com.

Definition of Contributory Earnings:

Contributory earnings must include all regular recurring earnings for all plan members including the following:

- base wages or salary;
- regular vacation pay if there is corresponding service;
- normal vacation pay for other-than-continuous full-time members. Include vacation hours in credited service;
- retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members;
- lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (for example, payment based on organizational performance, some types of variable pay, merit pay, commissions);
- market value adjustments (for example, percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy);
- ongoing special allowances (for example, flight allowance, canine allowance);
- pay for time off in lieu of overtime;
- danger pay;
- acting pay (pay at a higher salary rate for acting in place of an absent person);
- shift premium (pay for shift work);
- ongoing long service pay (extra pay for completing a specified number of years of service);
- sick pay deemed to be regular wages or salary;
- salary or wage extension for any reason, provided service is extended (the member must be kept whole for example, continuation of salary and benefits). If the member becomes employed in another position and begins contributing to another registered pension plan (except CPP), the balance of the extension period becomes unpurchasable service;

- stand-by pay/call-in pay (pay for being on call, not pay for hours worked when called in) where this pay is in relation to duties that are an extension of the member's normal job;
- living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement);
- ongoing taxable payments to pay for costs (for example, educational or car allowance);
- taxable premiums for life insurance;
- taxable value of provided vehicle or car allowance (for example, if an employer provides an allowance (that is, expenses that are not reimbursed) then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and licence fees and should not be included as part of contributory earnings);
- payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended. When you include lump-sum payments for unused sick days or vacation time as contributory earnings, you must also extend the retirement date and the credited service by the number of days covered by the payment. The member's pension will begin on the first day of the month following the revised retirement date.

LETTER OF UNDERSTANDING #5

RE: CONTRACTING OUT

The Board agrees that it will discuss, with the Union, any future contracting out that would result in the displacement of CUPE Local 1628 members before any final decision is made by the Board. These discussions will take place through a joint committee comprised of three (3) representatives of the Board and three (3) representatives of the Union, plus appropriate resources.

Both parties agree that they will evaluate the viability of any suggestions made by the committee. The suggestions of the committee will be considered before any final decision is made by the Board.

LETTER OF UNDERSTANDING #6

- b. Attendance at Indigenous cultural/ceremonial events.

The Board agreed to revise the December Holiday Season Shutdown memo to provide further clarity as it related to the issues identified by the union. The draft of these changes will be provided to the union for their review prior to it being issued to employees.

Re: CUPE 1628 Office Staff Streamlining Committee

As part of the contract negotiated prior to 2003 with CUPE 1628, a letter of intent was signed to establish a Joint Streamlining Committee. The mandate of the committee is to discuss issues regarding secretarial/clerical resources, workload and overtime. We think it is important that we all continue to work together to improve situations where possible. Many of the issues discussed during the Committee's deliberations can be addressed by continuing to focus on positive communication, relationship building, and effective and efficient office practice. The following suggestions were made following the completion of the last Committee meeting on March 9, 2020 and it would be appreciated if you would consider these as they relate to your school:

1. Office Team Meetings

Managing the pace and flow of the office workload is important. In office team meetings, workload issues can be discussed and priorities set. Our office staff feel invested when they have an opportunity to collaborate in workload planning. These meetings should also enhance communication and relationships.

2. Peel Absence Management System (PAM)

It is the responsibility of the individual staff to create their absences in PAM. All staffing decisions need to remain as the school administrator's responsibility. Office staff may assist administration with facilitating staffing in collaboration with school administration, as requested.

3. Student Attendance

Teachers are responsible for calling parents to question extensive student absences, as part of ongoing teacher/parent communication.

4. Bussing

The Office staff may assist with providing routine transportation procedures, redirecting parents to “STOPR”, assist in collaboration with school administration to create bus tags or review SIS transportation information, as needed.

School administration will be responsible for decision making with respect to student transportation needs that may arise.

5. School Council Membership

Many office staff are volunteering to serve as the non-teaching staff representative on School Councils which is very positive. In some instances, because they are a member of the school office staff, they are being asked to serve as the Council secretary, as well. The secretarial function could be performed by any member of Council.

6. Supervision of Students – not being applied consistently at schools

Students during the day are routinely sent to the office to wait, under office staff supervision, until a parent/guardian can come to pick them up. Students who must be in the office for disciplinary reasons should be supervised/visible by administrators or a teacher in charge, school layout permitting. When the administrators are out of the school, a contingency plan for this supervision must be in place (e.g. teacher in charge, under supervision of a teaching assistant, etc.).

7. Student Suspension Communication

Office staff are not responsible for calling parents/guardians to advise of suspension of a student from school. This direct communication will be done by Administrators.

8. Parent/Teacher Interviews

Teachers can expedite these arrangements by holding a brief meeting to coordinate families' interviews by using input from parents through a returned form and SIS generated sibling lists.

Office staff may be available to support generating SIS sibling class list reports, as requested.

9. Administering Medication/Medical Binder/Emergency Binder

School administrators are required to prepare a student medical binder. Office staff may assist with generating an SIS report for administration to compile medical binder.

The current CUPE 1628 collective agreement and Operating Procedure Special Education Program Services #8 state that office staff are not required to administer medication. A school based plan should be developed in accordance with this Operating Procedure.

Best practice is that the concussion protocol should be completed by the staff member who witnessed or reported the accident, or the administration at the location, where possible.

Emergency Binder

It is the responsibility of Administration to complete the binder. Office staff may assist with generating SIS reports as requested.

10. Photocopying/Faxing/Scanning/Phoning

Teachers are provided planning time to fax/photo copy classroom lesson materials and should not be asking the office staff to do their photocopying. Where classrooms have phones, students can call for forgotten items, lunches, illness, and may call from the classroom phone under the supervision of the teacher, where possible. All teachers will be provided with an up-to-date student information sheet for the class.

11. Banking/ School Cash Online

In the absence of security pick up, Administrators are responsible for all offsite banking duties. Additional resource is available through Finance Effective Practices – Effective and Purchasing Catalogue - Safes & Cash Management

<https://pdsb1.sharepoint.com/sites/sfm/SitePages/Cash.aspx#school-safes-security-services>

[Microsoft Word - Cash management and school safes - August 12-13.docx \(sharepoint.com\)](#)

12. Training

For initiatives that require online training, staff must be provided with computers that are appropriately configured for the training. Consideration needs to be given to the time and space for training.

13. Safe Welcome Program

School office staff are tasked with the Safe Welcome Program which is part of an extreme workload issue. Staff and visitors are reminded to be respectful at all times when waiting for office staff to respond to the doorbell.

14. Peel Partnerships

The Region of Peel has many health initiatives including Immunization, Dental Screening, Hearing and Vision Screening. School office staff should only be responsible for materials approved for distribution. Reminders and follow up should be the role of the Region.

15. Designate Signature

All authorized school documentation should be signed by the Principal/designate. Should the Principal not be available the authorized designates include:

- Principal (Acting)
- Vice Principal (Acting)
- Teacher in Charge
-

16. Banked Day Tracking – Elementary Only

Administrators will be responsible for tracking and coordinating planning time payback. Office staff may support the Administrator with tracking unfilled vacancies.

17. Ordering in June

Administrators should be making school purchases in accordance with effective practice/Board procedures.

18. Community Mailboxes Pick Up

Office staff may assist in the retrieval of the mail from the mailboxes, however, Administrators are ultimately responsible for retrieving mail from community mailboxes in a timely manner.

We expect that many of these items are already a part of your office practices.

Thank you to the Committee Representatives for taking the time to review and consider these suggestions as they have been raised in an effort to alleviate some of the secretarial/clerical workload concerns.
