# Tickets on Sale Now

*Oh, my heart is overflowing with gratitude from the beautiful experience my sisters and I had at the Extraordinary Women's Conference.*

*Several went burdened and broken, but we didn't leave that way.*

*As God's daughters, He desires to put us on display, front and center, for the world to look upon, not as seconds, being less than, but beautiful examples of grace, hope and love.*

*We asked for and received renewal, refreshing, refilling. Did we receive it? Oh yes we did! Thank you Lord! We asked not out of greed but hungry hearts.*

*At the house, we bore all literally . . . Sorry Ladies. Our masks came off, exposing our real selves, becoming raw and exposed.*

*There were tears of cleansing, but oh the laughter that followed.*

*So, on a humorous note, it seems I am a great source of laughter for these ladies, I aim to please, being the humble servant that I am . . . .*

*And on the flip side, being serious; my heart's desire is for us to become W.O.W. (Women Of Wisdom) We are extraordinary women and pray that each of you would join us on this marvelous journey.*

*(Written by Teresa Smoke on behalf of all those who attended)*
