At Lincroft, we call you "Class Reps"!**

As a Class Representative, you and your partner Rep (2 per class) will be the liaisons between your child's teacher and all the class parents. You'll also:

- Help communicate important PTA info to class parents
- Arrange for volunteers during class parties & trips (TBD)
- Organize teacher appreciation gifts and/or activities
- Help supervise Fun Day in the spring (TBD)....and more!

### Why should YOU be a Class Rep?

- Form a deeper relationship with your child's teacher and fellow parents in the class
- Get to know more of your child's classmates at class events
- Learn more about how our school and the PTA work
- Make decisions (w/ your partner) on class activities & gifts
- Represent your class's interests & voice to the PTA and administration

**Attn: New & Kindergarten Parents!** This is a great way to make connections with parents and learn about our school.

**Interested? Of course you are!** See the enclosed Parent Contact Form, and check off the box next to the appropriate class(es). You can only be selected for one class, and preference is given to parents who have not been a Rep before.

## MORE DETAILS

Class Reps should be available during school hours and have time to devote to activities.

At least one Class Rep from each class must attend PTA meetings, to be aware of current and future PTA activities and to provide feedback to the PTA board.

We are unsure what class parties, etc will look like this year. We'll learn more as the year continues.

Class Reps are not the only volunteers for the class. Rather, you are the organizers and planners. Ask for help with activities and prep, and involve as many parents as possible. This also helps parents get to know each other!

Note: Pre-school aged children are not allowed in the classrooms due to the Board of Education insurance policy.

Class Reps must be Lincroft PTA members and complete the SafeSchools online training (when made available).

If interested, Class Reps are also welcome to plan activities for parents, to help families get to know each other.

Class Safety Kits - Class Reps are asked to inventory the contents of classroom safety kits and contact the PTA board with a list of any missing items.

Being a Class Rep is very rewarding, and the children & teachers appreciate your dedication and energy!
