- Freshman now take Biology & Sophomores take Chem or Environmental Science

Mental Health Support: Dr Kirkpatrick & Dr Tiedemann

- Feb 15: Equity & Inclusion presentation at BOE Workshop Meeting
- Middle Schools & HS: Restorative Counselor to replace discipline with support
- Restorative Practice Training- followup from 3 pilot elementary schools in the fall
 - Will now be present throughout the school year in all district schools
- Effective School Support Services: 5 full time clinicians (3 elementary, 1 middle, 1 high)
- Fit to return can now be done on site rather than going to CPC
- Tier 1: staff, coaching, parent workshops
- Tier 2 counseling services: general education initiative
 - 6-8 wk program of intensive counseling, teacher recommended, pull out program.
 - Universal screener for baseline data- parent consent form will be sent; pilot first.

DYknow Platform: Mr Siwiak

- Virtual Classroom Management used since 2018- monitor student activity in real time
- Permissions are granted based on the child's schedule & only during school hours
- Available in all schools during all grades
- Teachers see thumbnails of each student screen
- Block/Allow Only function: for single, group, or class: beneficial for testing online
- Student Understanding function: raise hand without a student hesitation
- Attention function: lock screens- teachers must remove, time lapse, or class runs out
- URL push function: send links directly to each students screen
- Activity Tracker based on class periods, students, full student population
