PTA Meeting #3 - Tuesday, October 1, 2024

AGENDA ITEMS:

President:

Role of the PTA

Everything we are able to accomplish is always dependent upon our membership drive and the performance of our fundraisers. Memberships and small fundraisers pay for the day-to-day support or traditional programs:

- Multiple breakfasts and luncheons for our staff throughout the year
- 2 assemblies - budget of \$4500
- Multiple Free Family Fun events: Trunk/ Treat, etc.
- Staff appreciation days: custodian of the month, etc
- Student of the month bagel breakfast and juice - 30 students
- Lunch table of the month ice cream celebration

Everything over and above this is all performance based and usually reflects the success of our larger fundraisers. For the last 2-3 years, we had a tremendous amount participation, and in turn, raised a lot of money:

- Playground (25k donation)
- poster printer for the teachers
- Signs (4), landscaping

In addition to above, we like to show our appreciation to our 5th grade families for supporting the PTA for 6 straight years:

- As a way to “give back” to the families who have supported the PTA for 6 years, the PTA (over the last 4 years) has been able to donate roughly **\$8,500** to our fifth graders! The breakdown is below:
 - **\$1,500** donation to help plan their event.
 - Moving up gear– a **\$2,000** budget. This includes the Thompson hoodie, string bag, and t-shirt.
 - Bussing for the 5th grade class trips– A **\$5,000** budget

Coming Soon:

- Last year, we gave teacher the printer stated above and classrooms stipends in December
- Fall fundraising commitment: Suggestion from Miss Pabst - Playground equipment and storage box per grade
- Class Reps: Thank Tara Velho: Emphasis always on bringing in new people
- Thank Committees: Many committees already in place: Beautification, Holiday Shoppe, Teacher Appreciation, Book Fair. Looking for 2 people to lead the Variety Show in April (more from Events)
- Transition to fundraising...
