## *Recital Packet 2022* *Very Important Info*

We Strongly Encourage all parents to read our Recital Packet, this will help make you and your dancer's recital experience seamless, exciting and memorable for the whole family!

The opportunity to perform in a recital is an exciting, empowering and confidence building part of the training process. This is where we love to watch our students learn about the theatre, rehearsals and teamwork while they enjoy the opportunity to showcase their skills in a professionally run production. Recitals are a wonderful way for students to showcase the results of their hard work and for family and friends to join in the pride of their achievement. We love giving all students the chance to perform for their family and friends in this supportive and fun environment and encourage even our youngest and newest performers to be involved.

In terms of attendance, it is very important that students do not miss any of their scheduled classes between now and recital time so they can spend their rehearsal time together to perform their routines, feel confident and look amazing.

Please note that unfortunately any families with unpaid dance fees will not be allowed to participate in our recital.

This is without doubt the highlight of our year and we are giddy with excitement to show you how hard our dancers have been working!

**Silence or Turn off Your Devices** - Please turn off cell phones; tablets, and any other electronic devices prior to the performance starting. You should never speak, text, or play games on your electronic devices during a performance. You should also not check your device during a performance since the backlight is incredibly bright and distracting to other audience members and is also visible to the dancers on stage.

**Curtain Call** - The performance is over at the conclusion of curtain call (When every dancer comes onstage to take their final bow). Audience members should stay for the entire performance and should not leave early during the curtain call. Please stay in your seat until the performance is over and the house lights are raised. Then, exit with the rest of the audience. This policy is in place to show respect and appreciation to all of our performers.

**No Backstage Access** - No one is allowed backstage except for dancers, volunteers, and instructors. Dancers will be released from change rooms following the curtain call. No dancers will be released at intermission or at any other time throughout the recital. Please rest assured that we have a number of Staff backstage to help your dancer throughout the entire process.
