

ARTS and CULTURE

COMMUNITY SERVICE PROGRAM

Angela Cutrera, Chairman E: angelacutrera1@gmail.com

The study of art and culture enriches the human experience. Art education improves problem solving and critical thinking skills, builds focus and perseverance, and nurtures creativity, confidence, and collaboration. Cultural awareness promotes effective communication and profoundly increases the ability to appreciate and enjoy a variety of new people and experiences.

- Host an art supply drive within your club.
- Hold a recycled art contest for art projects made using recycled materials.
- Work with your Chamber of Commerce and/or Tourist Commission to create a map of your community with pictures/drawings and descriptions of historic sites, monuments, and points of interest.
- Make homemade holiday cards for nursing home residents or Meals on Wheels recipients.
- Provide artwork and help decorate a reading nook at the library, a local laundromat, or other location in your community.

- “Hire” student jazz combos, string quartets, or even the whole band to perform at club events.
- Use an artistic event to raise funds to sponsor local community art and cultural programs.
- Feature art or art forms that are indicative of another culture at monthly club meetings—origami, Faberge Eggs, Ukrainian Easter Eggs, Russian icons, and others.
- Host an international dinner party. Choose a country or region as a theme. Decorate and select the meal to fit the theme. Learn about the culture by sharing facts about the area including food, music, lifestyle, etc.
- Volunteer at a school to teach a lesson from your cultural heritage to students. Include information about the food of the culture and provide samples for the students to taste.
- Present a few interesting facts at club meetings to acquaint members to a variety of international, regional, and local cultures.
- Study and compare pottery or fabrics from different areas of the United States and other countries.
- And many more provided in Club Manual.
