## NEWSLETTER FOR FEBRUARY - APRIL, 2019

*“O Lord, be gracious to us; we have waited for You. Be their arm every morning, Our salvation also in the time of trouble. For the Lord is our Judge the Lord is our Lawgiver, the Lord is our King; He will save us.” Isaiah 33:2,22*

We thank everyone who has prayed for us and for the Lord to give us victory to open a Christian Pentecostal organization in Romania and across Europe. Over two years we have worked very hard to bring churches and pastors together. For more than a year we have approval from the government for each church and that gives us a good reputation. It was necessary for us to be organized legally because more and more restrictions are beginning to appear in Romania and in all of Europe concerning churches. Because of this more and more churches want to affiliate with us, we already have 160 church leaders.

Last November a former president of the organization sued the new organization in federal court and requested the organization be dissolved. On February 7<sup>th</sup> 2019 the judge rejected all his requests because none of them were justified. On February 12, 2019 he made an appeal to a superior court to cancel the decision by the lower court. Our lawyer made a very strong defense letter and now we are waiting for a court date from the judge. He has tried to discredit me and all the missionaries on Facebook but nobody has agreed with him. Please pray for us, this is very expensive and extremely stressful. But we believe the Lord will help give us victory!

We began this movement with the Gypsies in 1998 together with Bro. Terry Mize, and Pastor Terry Maris where we had the first pastor meeting in Alba Iulia. During the next few years we extended these meetings in different cities in the country. Then we started to have two conferences per year with Bro. David Bentley, Bro. Dirk Jansen and other blessed pastors too. Now it is a very big revival in the whole country and spreading through Europe as many thousands of Gypsy people have come to Jesus. *“The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest.” Luke 10:2*

***Because He lives you can face your tomorrow***

This year on March 1-2 we had the first meeting with the executive board and pastoral council of the new organization. All together we were 40 pastors from all over Romania. 29 years after the revolution and this was the first time Roma churches were recognized by the Minister of Cults and Religious Affairs in Romania. It was also the first recognition by local governments in the country. To say it was a really good meeting would be to minimize it. It was a

GREAT meeting because we met in unity and in fellowship. Praise the Lord!

## THE CHILDREN

*“He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, Whose leaf also shall not wither; and whatever he does shall prosper” Psalms 1:3* In Romanian language the last part of this verse is: *“everything he begins he will finish it.”*

After Revolution when I came back to Romania, I saw the desperation of the orphan children. I considered that we can't preach the Gospel if we don't fulfil one verse: *“Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world.” James 1:27*

Beside the churches, together with American and Dutch friends we started to work in state orphanages in seven counties. Our first desire was to improve their living conditions and help the children in education. The most needed help at that time was for children after the age of 18. The law was that every orphan child 18 years in age had to leave the orphanage. The majority of them didn't have any place to go and became easy street victims like: prostitutes, drugs, alcohol, stealing. Many girls became pregnant or began all kind of crimes. They didn't have any skills or idea how to survive. The state didn't assume any responsibilities behind these orphans because they didn't have any interest and worst any protective laws to help them.

Seeing this the Lord gave me a vision and I developed a program special for this category of persons. We helped them financially to continue the studies (college or universities), to find a job, to pay the rent for an apartment, etc. It was a successful program and was speeded in the whole country.

Almost 20 years ago when we started our private orphanages Dove House and Bethany House with 28 children in total, most of them babies at the time, since they were babies, most of them, we thought it is very hard and a huge responsibility behind these children. I realize now it is a big responsibility and difficult work. The children have access to so much information now. They get in contact with so many people in an instance of time, it's incredible. There are times when if they can't have a good balance in minutes available it becomes very difficult for us to manage. They are still vulnerable in so many ways but we are trying every day to give love, compassion and help. Few of them realize

how truly blessed they are until they leave Dove House for a season. There are times they still need our help spiritually and even financially. Some have now become adults and have their own babies. Even then on the very important events they come home. We have become a bigger and happier family.

Please pray for us to finish with success what we've started! We can only do this with your continued help in finance and prayer. Cami and I want to thank you for your wonderful support in prayers and finance! You are our God send and without you we can do nothing.

Have a wonderful holiday but remember to make it much more than that. It is Easter so there will be baskets with eggs, candy and such. But the real meaning is,
