Viking Valley has a regular sporting clay league for 5-10 shooters per team as well as a 3-shooter league. Teams shoot once each month, and have the option of shooting any time during the month by reservation. Team members may make up league shoots as long as two or more people are present to shoot. **The regular sporting clay league begins May 1st and ends August 31st.**

With 23 teams finishing in the 5-10 person league last year; we divided into three classes, and paid the top team in each class that registered 5 scores each month. Prizes were given to the captains of the winning teams.

The **MYSTERY STATION** will be available again this year, for current month shooting only. If you shoot for league twice or more in the same month, you may sign up again. We will close out each month after the last day of that month, and the money will be awarded to the winner at the beginning of the following month.

We will also be offering the "Blast the Birdie" Shoot and Golf League at Viking Valley Hunt Club and Stalker Lake Golf Course. This is a two-person format, and this league begins May 1st and ends July 31st.
