

VIKING VALLEY 2023 LEAGUE SHOOTING

Viking Valley has a regular sporting clay league for 5-10 shooters per team. Teams shoot once each month, and have the option of shooting any time during the month by reservation. Team members may make up league shoots as long as two or more people are present to shoot. The regular sporting clay league begins May 1st and ends August 31st.

The 2022 regular sporting clay league winners were:

A Class- Perham Pigeon Poppers; B Class- Blue Collar Blasters; C Class- Minnesota Motors

With 24 teams finishing their league shooting last year; we divided into three classes, and paid the top team in each class that registered at least 5 scores each month. Congratulations to the winners, and a big THANK YOU to all of you! Prizes were given to the captains of the winning teams.

Something new that we will be offering this year is a 3-person league. This league will follow the regular sporting clay rules, with the top 2 scores counting for league standings. **The 3-person league will also begin May 1st and end August 31st.**

The MYSTERY STATION will be available again this year, for current month shooting only. If you shoot for league twice or more in the same month, you may sign up again. We will close out each month after the last day of that month, and the money will be awarded to the winner at the beginning of the following month.

We will again be offering the “Blast the Birdie” Shoot and Golf League at Viking Valley Hunt Club and Stalker Lake Golf Course. It is a two-person format and an easy schedule for a get-together with a friend to spend some time in a beautiful area. This league begins May 1st and ends July 31st. Please call Viking Valley at 218-747-2121 to register and schedule your shooting time, and call Stalker Lake Golf Course at 218-589-8591 to schedule your round of golf.

We finished with 13 teams in the 2022 Blast the Birdie league, so we divided into 3 flights. The 1st flight champions were: Two Balls One Cup; 2nd Place: Emmaville; 2nd flight winners were: Over and Under & Hide Your Daughters; the 3rd flight winners were Sasquatch Stalkers & Ruhland Plumbing. Congratulations to the winning teams, and thank you to all who participated!

It's a beautiful course that offers enjoyment for beginners and challenges for experts.
