

Florence-5 Nights & 2 Rounds

Day 1

Casa Howard (5 nights)

casa howard, Via della Scala 18, 50123 Firenze

Casa Howard is a unique gem in the Italian landscape. Each of its rooms was imagined and designed by Jenifer Howard Forneris to create the highest form of comfort in the familiar atmosphere of a home. After being declined to absolute luxury by her son Bonifacio, current Director of Casa Howard, the rooms embody, with refined genius, the art of design in the world of hospitality.

Cozy, warm and intimate, with direct access to the central courtyard, the Garden Room is a favorite for couples in search of a romantic hide-away in Florence's historical centre.

The petit letter-writing table, the embroidered bed headboard, the new-wave bathroom, and the breeze blowing in from the courtyard, all evoke the cult feeling of Florentine elopement, making this one of Casa Howard's most poetic rooms.
