Superintendent of Schools

April 27, 2021

Dear Parents and Guardians,

Valley Stream District 24 is conducting a parent, staff, and student survey regarding diversity, equity, and inclusion. The surveys will be administered to all participants during the week of April 26, 2021. The student survey will be administered during regular school hours. It will ask students their perceptions on topics related to diversity, equity, and inclusion.

The data your child provides will be used to better understand the current climate in his/her school. The data gathered will not identify any person or their responses. A copy of the student survey will be placed on the district website for your review. If you have any questions about the survey or your child's participation with the survey, please contact the building principal. If you do not want your child to participate in the survey, please contact your child's teacher.

We are dedicated to ensuring the well-being and safety of all our students. With this in mind, we invite you to have your child participate in this survey.

Sincerely,

Dr. Don Sturz
Superintendent
