Mr. Rosario Iacono  
Principal

Dr. Don Sturz  
Superintendent of Schools I

August 2020

Dear Parent(s) / Guardian(s):

In a constant effort to ensure the safety of our children, the Building Safety Committee has established the procedures for arrival and dismissal. We established the following guidelines to assist with a safe arrival and dismissal.

## ARRIVAL

- Each child should have their temperature taken at home. If the temperature is over 100 degrees F, please keep the child at home.
- All students reporting to school will use the main entrance of the building. The driveway/drop off area is still available for vehicles to enter and allow students to exit the vehicle. They must then walk to the main entrance.
- Students participating in the breakfast program will report to school at 8:00 am.
- Students in grades 4, 5, 6 will report to school at 8:10 am (younger siblings are recommended to arrive with older sibling).
- Students in grades K, 1, 2, 3 will report to school at 8:25 am.
- Student temperatures will be taken at the front door with a non-contact thermometer. In the event that a student temperature is above 100 degrees F, the student will be asked to sit for a few minutes to retake the temperature. If the temperature remains above 100 degrees F, you will be called to come pick up the student from school.

## DISMISSAL

- Grades 4, 5, 6 will be dismissed at 2:40 pm at the back-blacktop area.
- Grades 1, 2, 3 will be dismissed at 2:55 pm at the back-blacktop area.
- Kindergarten will be dismissed at 2:45 pm at the entrance before entering the school playground area.

Designated persons picking up students must arrive on time. Students will not reenter the building after dismissal. Please make sure you prepare the students for inclement weather.

***Please do not attempt to enter our school parking lot during dismissal hours.*** We have the entrance blocked off to prevent injury or accidents.

Adults waiting to pick up children on the blacktop area are asked to please wait away from our building doors. Our staff members need ***ample space and time*** to organize the children to conduct the proper dismissal procedures to the appropriate adults.

If we all follow the procedures described above, then I am confident we will continue to provide a safe environment for our children during their arrival and dismissal. I truly appreciate your cooperation for the benefit of your children.

Warm regards,

Rosario Iacono  
Principal
