

About Us

Valley Stream 24 is leading the work in innovation and academic achievement. Our Board of Education and District are committed to providing every child with an equitable, rigorous, and innovative education that fosters academic excellence, critical thinking, and creativity. Drawing strength from our diverse community, we empower students with the knowledge, skills, and mindset needed to succeed in school and life, and to meet the challenges of the 21st century with confidence and purpose.

Supporting Our School District

Supporting Valley Stream 24 means investing in a district that is at the forefront of educational innovation while simultaneously achieving exceptional academic results. Our students have demonstrated the highest levels of math proficiency when compared with neighboring elite districts on Long Island, reflecting a deep commitment to academic excellence. At the same time, we continue to lead forward-thinking work in redesigned learning spaces, instructional practices, and student-centered environments. We are committed to providing every child with equitable access to rigorous, engaging learning experiences that prepare them not only for academic success, but for the challenges and opportunities of the future.
