March 15, 2020

Dear Parents and Guardians,

Given the announcement of a two week closure of all schools by County Executive Curran, we want to inform you that we are launching our distance learning plan on Wednesday, March 18, for online lessons that can be accessed on the homepage of the district website on ClassLink.com. These lessons/activities will be communicated through your classroom teacher, as they have been previously during the year. Please continue to contact your teacher through your usual form of communication.

You will need your child's Google username and password in order to assist them. Please follow the following steps:

1. Sign into the District website/ Homepage
2. Click on Class Link.com on Home page ( Also located in Quick Links at the bottom of the Homepage)
3. Sign in with your child's District Google username and password
4. When your child is signed into ClassLink.com they will have access to the assignments they will receive from their teacher and be able to access the correct program app or link they will need to do the assignment.

\*\* If you do not use your child's Google username and password then you will not be able to access ClassLink.com. Should you have any issues, please contact your child's teacher.

We want to ensure you that we will be monitoring this process through our teachers and technology team. We will provide support and guidance if it is needed. If you have any questions, do not hesitate to contact your building principal:
