## SOLICITING FUNDS FROM AND BY SCHOOL PERSONNEL

POLICY 8400

---

Because fund raising diverts time, energy and attention from the educational process, the Board of Education will not approve any request from staff members to engage or participate in non-School District related fund raising activities during the school day regardless of their merit. It shall not, however, preclude employees from participating in properly recognized School District sponsored fund raising activities nor from participating in employee sunshine or bereavement funds, etc.
