

The MISA Student Scholarship is awarded each year to four outstanding students currently attending an accredited University, Community College, or Trade School in the State of Michigan or attending an accredited University, Community College, or Trade School online and residing in the state of Michigan. Any student enrolled in the applicable schools can apply. Our goal is to recognize and reward exceptional academic performance and professional achievement, fostering the next generation of leaders.

Scholarship Details

- Annual scholarship for students in Michigan-based institutions or Michigan resident students attending online institutions.
- Financial aid for tuition and/or books.
- Includes an essay on topics related to the "Impact of Chatbots". The essay question will vary from year to year and typically relates to information technology.

Eligibility Criteria

- Enrollment in an accredited Michigan-based college or trade school, or Michigan residency with enrollment in an accredited online college or trade school with a GPA of 2.50+.
- Must have participated in a minimum of 4 hours of local volunteer or community service within the previous 12 months.
- Sponsored by an Academic Advisor or Program Dean who can provide information related to the applicant's academic progress.

Student Scholarship Awards

The scholarship awards are as follows:

First Place
\$5,000

Second Place
\$3,000

Third Place
\$2,000

Fourth Place
\$1,000

Application Process

- Visit <https://mymisa.org/student-scholarship> on the MISA website.
- Submit the completed form, essay, and any recommended documentation in PDF format by the deadline - May 29, 2026 and received no later than 11:59PM.
- Prepare for a possible personal phone interview as part of the final selection process.

The essay portion of this application is the most critical piece of information to be evaluated. Our committee will be looking at grammar, spelling, articulation and above all, relevance to the essay question.
