Information Technology Excellence Awards

Recognizing Michigan's IT Innovations.
Each year, Michigan Information Systems Association (MISA) proudly honors groundbreaking IT projects that make a real impact on the State of Michigan and its residents. These innovations drive progress, enhance services, and keep Michigan leading the way in technology. Don't miss this chance to celebrate the advancements shaping our future!

Our Mission

To provide our members an opportunity to meet IT professionals and discuss developments in technology. We offer educational resources and opportunities to expand the ongoing knowledge of our members and guests.

Nomination Requirements

- Any individual or team who has led or finished an IT project within the Government (State, County, Local, or Municipal), Non-Profit, or Education areas in Michigan can be nominated.

- The project should be of a major scope and impact and have provided a substantial enhancement or improvement to the organization.

- To avoid any possible conflict of interest, current MISA Officers, Board Members, and Awards Committee members are not eligible.

- Nominations for individual and team projects are available.

- IT projects must have been completed within the 2024 year (January-December).

Individual Entry

If you've led or completed an IT project within Michigan's Government (State, County, Local, or Municipal), Non-Profit, or Education sectors, this is your chance to be recognized! Nominate yourself or a deserving team member today and showcase the innovation shaping Michigan's future.

Team Entry

Did your team lead an IT project that transformed Michigan's government, non-profit, or education sectors? If it delivered major impact and meaningful improvements, it deserves recognition! Nominate your project today and showcase its success.

Deadline to Enter

Nominations can be submitted beginning spring 2025, and the deadline for nominations is August 4, 2025.
