Minutes:

No.	Subject	Discussion
1.	Old Business	<ul style="list-style-type: none"> We are still in new of new Board members: Social Media Communicator, Freshman Representative, Secretary, Co-Treasurer, Vice President and President Denise Ianotti will start putting together a Monthly newsletter that will be emailed and on website
2.	Fundraising	<ul style="list-style-type: none"> This is the best community outreach we have, its an investment now and for the future. Lift-A-Thon: did well, currently at \$3,637 collected Poker Night: Jenn Garcia is going to work on getting this setup, we are looking to do it at a club house to limit costs and looking for volunteers to be dealers...this will be a FUNdraiser Pancake Breakfast: This is an event to bring everyone together at the beginning of the year and to collect money – likely early August Bear Cards: We will be doing our own Bear Cards again this year, but only for football. We need everyone’s help in getting sponsors to participate, sponsor letter is on the website, we need all sponsors by July 1st. Monthly Fundraisers: We will be doing monthly spirit nights at various fast food restaurants (Chick-fil-A, Panda Express, Dairy Queen, etc.) King Soopers Cards: this is an easy way to earn money for the team, information is on the website, please send to families, they can sign up for any Kroger company
3.	Team Needs	<ul style="list-style-type: none"> We are in need of XL helmets. We should be planning on purchasing 5-15 a year to stay current as they have a 10 year shelf life and they are done, plus we always get some that get cracked each year and have to be tossed. Film is so beneficial to the team, so we need to ensure we have Huddle access, Drone footage, etc. Footballs

		<ul style="list-style-type: none"> We are looking at doing weekly recaps of what the boys have worked on and what is coming up, by interviewing 2 players each week and putting on YouTube with potential weekly sponsors, another way to get sponsors names out there. Snacks – we need to refill the snack bins for the players to be able to grab snacks, primarily during school when some have lunch at 10:30 and then nothing until after practice, but also nice for the summer too. Also, treats for after practices in the summer, parents can show up whenever with popsicles, cold drinks, ice cream, etc. Waters – small bottles preferred as we still have not been given the green light to provide water in the jugs.
4.	Academics / Attendance	<ul style="list-style-type: none"> If players have 2 or more F's they can't play, but we are expecting that players will not have any D's or F's. Players need to know that if they can't play it doesn't just affect them, it affects the team. If there is something planned, it is expected that the players will be there, if they can't make it, it is expected that they inform a coach, not the TD Club. No call, no show = no go.
5.	Equipment	<ul style="list-style-type: none"> Equipment has been issued to players and they are expected to have cleats and shoes every day, their shorts and a green or gold t-shirt. We want all players to have girdles with the knees in them, this is a preventative safety measure.
6.	Water	<ul style="list-style-type: none"> Players need WATER! Several have been running out at practices and again, we have not yet been given the green light to provide water in jugs.
7.	Summer Schedule	<ul style="list-style-type: none"> The summer schedule is on the website and is updated live. Currently it is Monday's, Tuesday's and Thursday 3:00 – 6:00 PM and Wednesday for lifting/film and team building. The youth director from the Bridge church is going to coach and will be helping out with team building. 7 on 7's will be happening, but we are still working to finalize the schedule. The Broncos camp is happening in July, again waiting for final details CSU Camp is no longer a group camp, but rather an individual day camp, if we have a lot of interest, we can look at carpooling – these events are good for the players to see the campus and to be seen by college coaches Camping trip is planned for late July, \$125/player, busses will be provided, but players will need some equipment, more details to come
7.	Miscellaneous	<ul style="list-style-type: none"> We expect all families to participate in fundraising efforts and the coaches can see who is doing it and who is not. We are open to other things, if you can't sell Bear Cards, maybe you can donate/make a team meal...reach out and we can see what we can do.
