# Boxer Ray Ciancaglini to speak at Concord Traumatic Brain Injury Conference

Ciancaglini, a former middleweight boxer who now battles dementia pugilistica, already has enjoyed a busy spring as he continues to tackle a long list of speaking engagements. On Monday, the Geneva native will be the keynote speaker at the Washington State Traumatic Brain Injury Conference in Seattle. He will also be the featured presenter at the New Hampshire Traumatic Brain Injury Conference May 13 in Concord, N.H.
