Dear Ray,

On behalf of the Brain Injury Association of New Hampshire and the Conference Planning Committee, I would like to thank you for presenting at our 32<sup>nd</sup> Annual Brain Injury & Stroke Conference.

We had 304 attendees, making it the largest turn-out in several years. We could not have achieved this without your contribution of time and knowledge. The overall feedback we received was very positive and I have enclosed copies of your session's evaluations.

Again, thank you so much for joining us and for helping to make this conference so successful!

Sincerely,
