Dear Ray:

Thank you for your recent email and for your very kind words of support. As always, it was a pleasure to hear from you and I greatly enjoyed the opportunity to see you and speak at the recent Concussion Awareness Educational Reception.

Please know that I am proud to sponsor the Athletic Trainer Practice Act and I will continue to work to see that this important legislation is enacted into law. It has been my pleasure to work with you in your mission to raise awareness of traumatic brain injuries and the dangers they pose to young athletes. I look forward to continuing our work together to increase awareness of concussions and their affects.

Thank you again for all of your input and support. Your friendship means a great deal to me and please let me know whenever I can be of further assistance to you or your family.

With best wishes.

Sincerely,

Michael F. Nozzolio,  
Senator, 54th District
