

# Let's Draw Butternut!

## Step 1:

Draw a blob that looks like the number '8'. Remember, Butternut Squash comes in all shapes and sizes! So have fun!

## Step 2:

Give Butternut his vine!  
Make it wiggly and curly!

## Step 3:

Let's give Butternut big round eyes to see, and a cute button nose to smell!

## Step 4:

Draw a pair of expressive eyebrows with 2 arches and give Butternut a twinkle in his eyes with 2 small circles. You can also give him eyelashes by making the top of his eye thicker!

## Step 5:

Almost there! Let's add some details!  
Draw in Butternut's sweet smile, his price tag, and some texture on his vine.

## Step 6:

Colour in your Butternut Squash and you're all done!

# What's My Food? Game

Many of the characters in BUTTERNUT ask questions to learn more about him.

*"Where's your box, tube, tub?"*

*"Dairy is made from cow's milk. Are yooou?"*

*"Are you a nut?"*

*"Are you a cantaloupe?"*

*"A gourd?"*

## How to Play:

This game requires two or more players.

- #1** The first player chooses a food and hides the food in a box (while the other players aren't looking).
- #2** The other players ask yes/no questions to figure out what is in the box.
- #3** The first player can only answer yes or no.
- #4** The other players keep asking yes/no questions until they guess the food.
