

Occupational Health & Safety Policy

People first. A safer, healthier tomorrow.

Cardan Compliance Services is a leading provider of ISO consultancy, auditing, training and compliance support. We recognise that the health, safety and wellbeing of our people, clients, visitors and other interested parties is fundamental to the success of our business and an essential part of responsible business management.

We are committed to operating an Occupational Health & Safety Management System (OH&SMS) that complies with the requirements of ISO 45001:2018 and to continually improving our occupational health and safety performance.

Personal Protective Equipment (PPE)

- Cardan Compliance Services will provide basic PPE such as high-visibility vests, wet and cold weather clothing and safety shoes, to all personnel acting on our behalf.
- Clients requiring us to have additional PPE, must provide this to us in order for us to carry out our duties on their sites.

Our Commitments

We will:

Safe and Healthy Workplaces

Provide safe and healthy working conditions to prevent work-related injury and ill health for our people, clients, visitors and others affected by our activities.

Legal and Other Requirements

Comply with applicable legal requirements and other obligations relevant to our context and to the needs of our interested parties.

Risk Management

Proactively identify hazards, assess and manage risks and opportunities to eliminate hazards and reduce OH&S risks.

Wellbeing

Support the physical and mental wellbeing of our people through appropriate resources, training and a positive working environment.

Consultation and Participation

Ensure effective consultation and participation with our people and relevant interested parties on OH&S matters.

Continual Improvement

Continuously improve our OH&SMS to enhance OH&S performance, prevent incidents, and support the achievement of our strategic objectives.

Our Objectives

We will set, monitor and review measurable occupational health and safety objectives to support this policy and drive continual improvement.

Prevent injury and ill health.

Improve OH&S performance.

Enhance health, wellbeing and engagement.

Build a positive safety culture.

Our Responsibility

This policy is issued by top management, is communicated to all relevant interested parties, made available to the public and is reviewed periodically to ensure it remains relevant and appropriate.

Together we can make a safer, healthier, more successful future.

Professional compliance. A safer workplace. A stronger tomorrow.
