

Quality Policy

Delivering professional services that meet and exceed expectations

Cardan Compliance Services is a leading provider of ISO consultancy, auditing, training and compliance support. We are committed to delivering high quality, professional and reliable services that meet the needs and expectations of our clients and other interested parties.

We operate a Quality Management System (QMS) that complies with the requirements of ISO 9001:2015, and we are committed to continually improving the effectiveness of our QMS and the quality of our services.

Our Commitments We will:

Customer Focus

Understand and meet the needs of our clients, striving to exceed their expectations through high quality services and professional advice.

Quality Services

Deliver consistent, reliable and competent services in accordance with agreed requirements, applicable standards and best practice.

Effective Processes

Maintain efficient processes, systems and controls to ensure the quality, consistency and continual improvement of our services.

Competence and Development

Ensure our people have the necessary skills, knowledge and competence through training, development and support.

Working in Partnership

Build and maintain positive relationships with our clients, suppliers and other interested parties based on trust, transparency and mutual benefit.

Continual Improvement

Monitor performance, seek feedback and identify opportunities to improve our services, processes and QMS, ensuring we continue to deliver added value.

Our Objectives

We will set, monitor and review measurable quality objectives to support this policy and drive continual improvement.

Enhance customer satisfaction.

Improve the effectiveness of our services.

Develop and maintain a competent and engaged team.

Drive continual improvement in our QMS and performance.

Our Responsibility

This policy is issued by top management, is communicated to all relevant interested parties, made available to the public and is reviewed periodically to ensure it remains relevant and appropriate.

Together we can achieve more.
Professional compliance. Lasting value.
