The tour begins with a short video of Daniel Radcliffe, Emma Watson, and Rupert Grint talking about their time growing up on the set. Guests are then shown the front doors of Hogwarts, which they walk through to enter the Great Hall. From that point forward, visitors are allowed to wander around at their will, enjoying the magnificent set designs and custom-made props. The tour lasts approximately 3 hours, though some guests are able to speed through it in 1.5, while others are reported as taking up to 13 hours! Halfway through the tour, there is a small cafe serving up food and refreshments, including the wizard world's favorite drink....butterbeer! The Great Hall. At the end of the tour, guests are brought into a large gift shop where they can buy anything from chocolate frogs and quidditch sweaters to specialty wands and Harry Potter chess sets! The Great Hall is the first set visited on the Harry Potter Studio Tour. Visitors can test their quidditch skills with this interactive experience that allows visitors to ride a broom in front of a green screen while a fan blows their hair back. Guests can then choose to purchase photos of themselves riding around the Quidditch field for an added cost. Explore the Hogwarts Express and try to decide which luggage sets belong to which characters. But beware! A Dementor might be floating in the carriage window! Walk through Harry's old house and see hundreds of letters fly through a room, inviting Harry to attend Hogwarts School of Witchcraft and Wizardry. See this beautiful beast up close and admire the incredible skill of the set designers who pieced her together, feather by feather. The Knight Bus.
