

LOOKING BACK AT 2025 *and ahead to what's next*

As we look back on 2025, we feel energized, grateful, and incredibly proud of everything the Fishbowl community accomplished this year.

Together with our partners, we brought Fishbowl to life through meaningful experiences that empowered students to step forward, share ideas, and build confidence.

OUR COMMUNITY PARTNERS

This year, we had the privilege of working alongside so many incredible community partners. Some of them include:

Colfax Charter Elementary

Haynes Charter for Enriched Studies

Hale Charter Academy

Homeschool Community 805

Just Start LA

Lanai Road Elementary

PEAK Enrichments

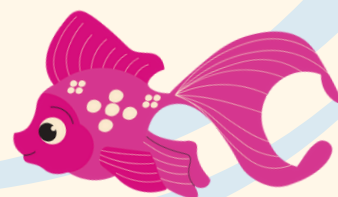

Welby Way Charter Elementary and
Gifted-High Ability Magnet

Wilbur Charter for Enriched Academics

Woodlake Elementary

And more in-person classes throughout
Encino and Woodland Hills...

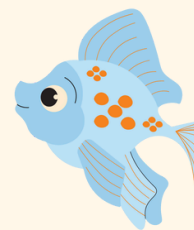

Through these partnerships, Fishbowl reached hundreds of students and created opportunities for connection, creativity, and leadership.

EVENTS AND EXPERIENCES

Across 2025, students participated in dynamic Fishbowl experiences from community festivals to live markets and school-hosted events. Some of the events we participated in are:

- IAC Event
- Childhood Matters Kid Fair
- Concerts at the Park
- Fishbowl Youth Open House
- Melrose Trading Post
- NoHo Fall Festival
- Oak Park Fallapalooza
- Simi Valley Kids Fair
- Social Commerce Festival (TikTok Live)
- The 805 Children Business Fair
- Valley Cultural Foundation Events
- Valley Cultural And Dia de los muertos Event
- West Valley Christian Church Christmas Village
- Woodland Hills Farmers Market
- Woodland NOTA Showcase
- *and many more...*

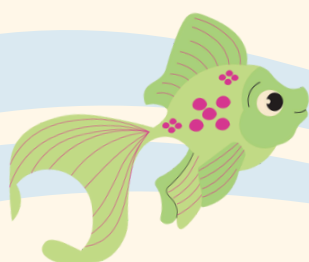

Every single event reminded us why we do what we do. The passion, creativity, and drive our students showed throughout the year were truly inspiring. We are beyond proud of our students for showing up, stepping outside their comfort zones, and making each experience unforgettable.

Looking ahead to 2026, we couldn't be more excited. We can't wait to continue working with all of our current school partners, welcome new schools, and create even more meaningful, high-energy events that bring students together in powerful ways.

We're also especially excited to keep growing the Fishbowl Social — building community, creating connections, and delivering moments that students will remember long after the event ends.

THANK YOU TO OUR PARTNERS AND SUPPORTERS

2025 was filled with so many incredible moments, and the momentum is only growing. We're just getting started, and we can't wait to make 2026 our biggest and best year yet!

With excitement and gratitude,

Inbal Bitan Danon
