

VOTE **Kenya A. Savage**

LCPS School Board – At-Large Member

Vote Tuesday, November 5th, 2019

“Growing our Children for a Greater Loudoun”

Accountability

- Institutionalize and install mechanisms to sustain trust and transparency across the county to ensure District Staff, School Board members, parents, and students are accountable to keep student learning the priority; and
- Hold schools accountable to show actionable progress in strategic action goals to foster professional development, school safety, and close the opportunity gaps to allow all students to have equitable access for success.

Choice

- Educate students, parents, and guardians of District level resources available to empower students to make smart choices and take full advantage of the entire suite of services and resources available allowing them to compete globally with their peers; and
- Expand policies in instruction to support all LCPS graduates to meet with excellence any higher education, military services, and/or career endeavor.

Training

- Leverage industry and business partner relationships to expand training opportunities for teachers and staff to remain relevant and proficient in their careers; and
- Collaborate with District office to mandate diversity and implicit bias training annually for all LCPS personnel and School Board members.

Safety

- Socialize and craft comprehensive coordinated crisis communication management plans, working with local emergency management offices, government offices and Town officials to provide timely school alerts County wide to improve the security and safety of our children; and
- Develop safe and smart policies in coordination with Mental Health professionals to remove seclusion and restraint as interventions for LCPS policies and practices.
