## 01 ABOUT US

Tewoldebirhan Goitom Import & Export is a leading Ethiopian company specializing in the export of premium agricultural products and the import of durable, high-quality goods. Established to bridge local resources with global markets, the company has built a reputation for delivering exceptional products and services with reliability and integrity. With expertise in international trade, we cater to the needs of diverse industries while fostering sustainable growth for Ethiopian suppliers. Our deep commitment to quality and punctuality has made us a trusted partner in the global trade community.

## 02 VISION & MISSION

### Vision

To be recognized globally as a leading exporter of Ethiopian agricultural products and a trusted importer of essential goods, contributing to economic growth and sustainable development.

### Mission

To deliver premium agricultural and durable import products with unmatched reliability and integrity, fostering growth for clients and Ethiopian suppliers alike while adhering to ethical and sustainable practices.

## 03 OUR SERVICES

01

### Export Services

Supplying high-quality agricultural products such as coffee, sesame seeds, green mung beans, soya beans, and red kidney beans to international markets.

03

### Product Sourcing

Ensuring all products meet international quality standards through meticulous selection and quality control processes.

02

### Import Services

Providing durable goods, including tyres, batteries, construction materials, and stationery products, tailored to the needs of local businesses.

04

### Timely Delivery

Maintaining punctuality and reliability in every transaction to build trust and satisfaction.

## 04 OUR GOALS

### Short-term Goal

- Expand our client base locally and internationally.
- Enhance operational efficiency to better serve our stakeholders.

### Long-term Goal

- Establish a global presence as a leading exporter of Ethiopian agricultural products.
- Diversify product offerings to address evolving market demands in both import and export sectors.

## 05 OUR PRODUCTS

### Export Products

#### Premium Ethiopian Coffee

Renowned for its rich flavor and aroma, sourced from Ethiopia's finest coffee-growing regions.

#### Sesame Seeds

High-quality seeds ideal for oil extraction and culinary uses.

#### Green Mung Beans

Fresh and nutritious legumes suitable for diverse culinary applications.

#### Soya Beans

Versatile and protein-rich, perfect for industrial and food production needs.

#### Red Kidney Beans

Sought after for their nutritional value and wide-ranging culinary appeal.

### Import Products

#### High-Quality Tyres

Durable and reliable solutions for vehicles and machinery.

#### Batteries

Long-lasting power solutions for various applications.

#### Construction Materials

Superior products tailored for robust infrastructure projects.

#### Stationery Products

High-quality essentials for offices, schools, and more.
