## Outreach News

### Movie Night

We are all geared up to show movies which, on Friday, September 20th at 6pm, includes popcorn and pizza! We will be showing the movie adaptation of C S Lewis' book, "The Lion, the Witch and the Wardrobe" at the church. It is a lovely movie for all the family. Come and invite your friends!

### Door Hangers

The vision to visit every household in the community is underway. Door hangers are left at every house and sometime short conversations and dropping a Gospel tract occurs as the situation presents itself. If you can give an hour to help, contact Bev or Kevin for information..

## Prayer Team, Tuesday Evenings

Prayer is the powerhouse of the church. Individual prayer is great and essential but what a blessing there is in corporate prayer, encouraging each other in our trials and in our good times. Come at 6pm-7pm at the church for a time of sharing and prayer.

## News from the Missions Committee

### Good News Club at Englewood Elementary School

Our prayers have been answered! The club is kicking off with nine children already signed up! And, Diane has reported there are 12 adult volunteers to help with the club. Pray for children to trust Christ as their Savior as they hear the messages each week at the club..

### Young Life

Diane reported that Young Life is currently looking for people to join the board. Reach out to her if you are interested in finding out more about this opportunity.

## Crossroads

The prophet Jeremiah lived in a time when the people of Judah had slowly drifted away from God and God's words given through Moses. Jeremiah was called to be a prophet at a young age. He saw his nation being destroyed morally from within and destroyed militarily from without. Jeremiah kept proclaiming the words of God and calling the people back. Back to the 'ancient' paths, which was the good way described in the law of Moses, but his warnings fell on deaf ears.

Today many of us find ourselves at crossroads along with those in our family, church, community and nation.

We, though, have THE guidebook! We can look in God's Word and see the ancient path, where the good way lies. We are blessed more than we will ever know since we have the Bible in our own language. We can daily walk the ancient path even amid uncertainty and constant change. Even if none go with us, we have the freedom of choice to do so.
