Church Merger

The merger between First Baptist Church of Englewood and Grace Community Church of Englewood is nearing its completion. This is an exciting time for our churches as we see God working and officially bringing us together. It is wonderful that we have been together in worship and all of our church activities for over a year and in relationship for nearly two years.

The EFCA has been extremely helpful with guidance, advice and the provision of a specialist attorney who works in this area of church mergers. It would have been a much more difficult task without their assistance.

We appreciate your prayers as we make the final steps towards the merger and, God willing, we will be able to announce that it is all completed soon.

Traditional Carols by Candlelight Service

For the second year, we held a Traditional Carols by Candlelight

Service on the Sunday before Christmas. It was a beautiful time listening to the Christmas story from Scripture read by British actor, David Suchet (*Poirot*) and singing traditional Christmas Carols.

Christmas Eve at Indian Mound Park

Our annual sunset Christmas Eve service at Indian Mound Park overlooking beautiful Lemon Bay was very good! The music from Dakota, Sarah and JoJo was excellent, the readings by Wendy, Barb G and Kevin were wonderful and Pastor Ian spoke a clear message of salvation. We had many visitors and some came to church the following Sunday! We served hot chocolate and donut holes for refreshments and everyone enjoyed the service very much!

Gospel Music Concert

On Sunday evening, January 25th at 6:00 pm, we will be hosting Bryan and Yvonne Hutson of Rescue Me Ministries. They are gifted vocalists and speakers who are passionate about sharing the love of Jesus Christ through song, word and personal testimony,

This is a wonderful opportunity to come to this free concert and bring your friends and family.

There will be a love offering taken on the evening.
