

- 1 Welcome to THE DILLIGAF FANTASY FOOTBALL LEAGUE 2025!!! This is our Historic 28th Season!
- 2 The league name is called The DILLIGAF Fantasy Football League. To always remember my Dad during Fantasy Football Season. He had played with us since we first started this 28 years Ago.
- 3 Next I would like to give congrats to Last year Champion **Savanna DLC**. First FEMALE Champion!
- 4 DRAFT- There will be multiple draft dates this year. (Live drafts will be on Labor Day Weekend Sunday Aug 13st for Vegas & Tee Time / Home Plate TBD)
(Online Drafts will be starting on Aug 17th) Draft will be 16 Rounds and no roster limit per position. There will also be a IR spot
- 5 If you accidentally drop a player there will be nothing I can do about it.
- 6 **There will be 11 Divisions Total.** 12 Teams Per Division. Top 6 makes playoffs in each Division.
- 7 There will be 12 weeks of the regular season and 3 rounds of playoffs. You win your Division you go to the Super Bowl!!!
- 8 During the playoffs the top seed will always play the lowest seed.
- 9 There will be 10 Teams in the Superbowl. Superbowl will last for 2 weeks. Whoever scores the highest after 2 weeks (combined pts) (which will be weeks 16 and 17 of NFL season) will win the Superbowl. 2nd Highest gets 2nd place, 3rd Highest gets 3rd place, and 4th Highest gets 4th, ETC.
- 10 There will be no trades allowed so study & draft well. Just waiver wire pickups. Same rules from last year apply. Which is the worst teams gets first dibs on any player from free agency they want. Then 2nd worst gets second choice and so on.
- 11 League scoring system should be the same. But check out The scoring system on the ESPN website to make sure for yourself
- 12 Tie-breakers (head to head games) – no tie-breakers during the season. In playoffs you will need to post your tie-breaker (a bench player) on the message board, if you do not and the other team you are playing against does you will automatically lose your game if there is a tie.
- 13 Tie-breakers (to make the playoffs team wise) will be the team with the most total points during the season will advance.
- 14 Please accept invite as soon as you get it in the email.
- 15 You need to stay active during the year. If you don't submit a lineup or make roster moves when needed you will not be playing next year.
- 16 AGAIN THIS YEAR During the regular season once you are not available for at least the #5 spot in the DIVISION you will NOT be able to pick up Free Agents
- 17 THESE ARE THE RULES FOR THIS YEAR. GOOD LUCK!
