

About the Event

The event begins at the Acadia Area ATV's clubhouse. Participants are encouraged to decorate their machines with pink and/or cancer awareness memorabilia. The benefit ride is approximately 80 miles of beautiful scenery with new friendships and memories created along the way.

The ride is set for Sunday, Oct. 6, 2024, rain or shine. Registration begins at 8:00 a.m. at Acadia Area ATV's Clubhouse, 3 Wyman Road, Hancock, and riders will depart at 9:00 a.m. on the Downeast Sunrise Trail. The ride returns back to the clubhouse between 2:30-3:30 pm.

Proceeds are raised through the generosity of our sponsors and participants by the \$20 per ATV registration fee, 50/50, and raffle tickets.

We have raised over \$30,000 for cancer centers, with \$12,000 donated in 2023!

According to the American Cancer Society Cancer Facts & Figures, in 2023, an estimated 1.9 million new cancer cases are expected to be diagnosed in the United States. In Maine, ACS estimates that 10,490 people will be diagnosed with cancer and 3,500 will die from the disease.
