

Dear Potential Sponsor

As a potential supporter of ReDirect Athletics Youth Outreach and Boxing you know that our mission is to give back and make a difference in the lives of the youth in our community, with our outreach and boxing programs. What you may not know is how much your potential support really means to the amazing youth that you so generously are considering to support.

Over the past year we have been able to accomplish several things with contributions like the one you are considering:

- Training: 63 youth have boxed/trained on full scholarship. 41 youth currently enrolled on full scholarship.
- Showers/ hygiene stations: For our youth that do not have a safe place to shower.
- Nutrition Counter: serving youth a meal every time they set foot in the gym.
- Clothing Closet: providing youth with clean, warm and appropriate clothing they need.
- Expansion: we were able to expand into the suite next door to us in order to fit a full size boxing ring for our boxing team. (Ring donated by Joey Gilbert)
- Welcomed 53 youth from our waiting list into our programs at no cost to the family.
- Supporting facility fees, facility equipment, and hiring youth staff.

Since December 2017, we have been able to help many youth by providing fitness, mentoring, and clothing, but 2018 was our greatest yet! And since all of our programs are for people that otherwise could not afford them, we have done it all with generous support from friends like you. Thank you in advance.

With the start of a new year upon us, your consideration has the chance to make an even bigger impact. Our team is looking to reach and support several youth through the start of the year with clothing/ needs for their entire family as well as being able to welcome 30 more youth off the waiting list by March 1, 2020.
