

Dear Potential Sponsor

As a potential supporter of ReDirect Athletics Youth Outreach and Boxing you know that our mission is to give back and make a difference in the lives of the youth in our community, with our outreach and boxing programs. What you may not know is how much your potential support really means to the amazing youth that you so generously are considering to support.

Over the past year we have been able to accomplish several things with contributions like the one you are considering, currently our organization and youth have the following needs:

- 106 youth currently on full scholarship, 50+ on the waiting list.
- Showers/ hygiene stations: Installed and upgraded for our youth that do not have a safe place to shower.
- Nutrition Counter: Snacks and food items to serve youth a meal every time they set foot in the gym.
- Clothing Closet: Clothing & shoes to provide youth with clean, warm and appropriate clothing they need.
- Signage: We are working to raise funds to finally put a sign on our building.
- Support for facility fees, facility equipment, and hiring youth staff
- Each sponsored youth requires \$200 per month

Since December 2017, we have been able to help many youth by providing fitness, mentoring, and clothing. Since all of our programs are for people that otherwise could not afford them, we have done it all with generous support from sponsors like you. Thank you in advance.

With the start of a new year upon us, your consideration has the chance to make an even bigger impact. Our team is looking to reach and support several youth through the start of the year with clothing/ needs for their entire family as well as being able to welcome 25 more youth off the waiting list by March 31, 2023.
