RAD TEAM CORNER

Thank you to all of the parents who attended our recent Competition Team Parent Meeting! We appreciate you taking the time to join us as we went over the season ahead and answered questions. Having our parents informed and involved makes a big difference throughout the year, and we appreciate your continued support of our dancers and staff. If you weren't able to attend the meeting, packets with the information covered are available upon request.

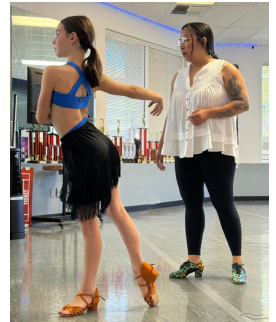

This season, we have been challenging our competition students to elevate the way they practice and approach their training. Strong performances start in the classroom, and we want our dancers to make the most of every class and rehearsal. We have already seen so many of them stepping up, working hard, and taking more ownership of their training. We are proud of the growth we're seeing and want everyone to keep pushing. The work you put in now will make all the difference when competition season arrives!

September also brings us into an exciting new chapter of our competition season as solo and duo choreography begins wrapping up and weekly pods get underway! Our dancers have already put so much work into learning their new routines, and now we get to shift our focus toward cleaning and really bringing these pieces to life. We can't wait to watch everything continue to grow in the studio and eventually shine on stage!

We also loved having Miss Charli at the studio for two levels of ballroom classes! Our dancers had such a great time learning from her and getting the opportunity to explore a different style. She will return one more time on September 12th, so be sure to enroll if you haven't already. Don't miss out on this great opportunity!

Upcoming Dates:

9/3 - Weekly pods for specialty numbers start
9/5 - Makeup Pod for Labor Day Closure 12:00PM
9/12 - Ballroom with Charli Cash
9/26 - Team Bonding Event (More info TBA)
