Hello RAD Families,

Given the state wide shelter in place, Roseville Academy of Dance's physical location will remain closed until the stay at home order has been lifted. We will resume physical classes as soon as we are able to, however in the meantime, we will continue to offer our online services and honor makeup classes, with a new extended timeframe, as soon as when we reopen. Our online services include virtual dance classes with the RAD Staff, recital routine review/add on, competition team practice/corrections, virtual check ins and our activity/coloring page section. So why do we think these online classes are so important right now? We feel it is very important for us to offer these online services during this time to help keep our dancers active, and to provide a sense of normalcy during these rather uncertain times. We believe our dancers will find comfort in seeing our faces,

hearing our voices, and continuing the routine they once had in place. As dancers, we must understand that the "show must go on" even when plans change, and challenges arise. Our online videos will enrich what they have learned in the classroom thus far, and more importantly, give our students a sense of connection and community in a rather lonely and disconnected period of time right now. Lastly, we believe that shifting to online dance education during this time will make our dancers analytical, thoughtful, and critical thinkers. In addition to our online services, makeup classes will also be provided to our registered dance families and will be extended through the end of 2020. It is of the utmost importance to us that you not only receive our online services for now, but that you can makeup and receive your in person/physical classes as well at a later date. For the time being, all tuition and refund policies will stay in place. Currently enrolled dancers are paid through the end of April and will continue to receive these services during that time. We feel that communication is very important right now, and therefore we will continue to update our RAD Families as needed via email and social media. If you don't already follow us on social media, please be sure to do so, as we will keep posting weekly challenges, class notifications, story times, and more. We thank you for your understanding and support during this time. We can't wait to see you all again soon. Keep your dancing shoes on, stay stretching, keep sending us your amazing photos and videos, and stay healthy.

Thank you for being a part of our RAD Family,
Ms. Cori & the RAD Staff
