Ghana Tour June 19-June 28, 2024

9 nights, 10 days

Ghana, our West African Mecca, has held a special place in the heart and soul of many since its independence in 1958. It has been visited by leaders such as Malcolm X, Maya Angelou, and Dr. Martin Luther King, Jr. with Accra becoming the home and burial place for Pan African giant Dr. W.E.B. DuBois. In our journey, we will visit Accra's national centers, experience a taste of its nightlife and markets; pay homage to our enslaved ancestors at Assin Manso Slave Memorial and Elmina Dungeon on the Atlantic coast; explore the prolific culture of the mighty Ashanti Empire in Kumasi; and enjoy an Akan naming ceremony in the eastern region.

This annual cultural experience has been extremely fulfilling for participants answering many questions regarding our African retentions of language, music, dance, family and religions in the Caribbean, Latin America and North America. It provides a visceral awareness of the agony of slavery and moments of personal and collective healing and transformation as well as a peek into modern Ghana and her people.
