

# Powerful Features

## Seamless & Streamlined

A traditionally complex process, now effortless with our cutting-edge UI and seamless integrations.

### One Platform

### All-State Support

Pick from any insurance from the NCQA database from any state in America. Over 1,500+ to choose from ensuring max coverage.

- ✓ Infinite Credentialing available
- ✓ Record breaking pricing
- ✓ Guaranteed price match
- ✓ Huge database of potential insurances

The screenshot shows a web application interface for insurance selection. At the top, there's a navigation bar with a welcome message 'Welcome! Erik Hernandez' and links for 'Dashboard', 'Document', 'Information', and 'Verifications'. A user account icon is in the top right. A left sidebar contains a menu with items: 'Review Purchase', 'Set Account Details', 'Security Settings', 'Access Management', 'Invite Providers', 'Confirmation', and 'Insurance Selection' (which is highlighted). The main content area is titled 'INSURANCE SELECTION'. It includes a sub-header explaining the process: 'To jumpstart the credentialing process you must select your desired insurances. You currently have the Basic Plan so you may enroll with 10 insurances. You have 24 hours to edit your health plans after your initial selection.' Below this is a form for 'What state(s) is your Practice located?' with a dropdown menu showing 'Connecticut' and a plus button. There's a search bar with a magnifying glass icon and a placeholder 'Search...'. To the right of the search bar are three filters: 'Plan Type' (expanded to show 'Medicare (2)', 'Commercial (4)', 'Exchange (6)', and 'Medicaid (8)'), 'Product Type', and 'Star Rating'. Below the search bar, there are two sections: 'Selected Enrollments' with the text 'Enrollments you select to be credentialed with will appear within here. No enrollments selected' and 'Recommended Enrollments' with the text 'Based on the most popular data model for insurances, here are the best insurances for your state(s)'. At the bottom of the main content area, there's a button that says 'Apply All Insurances (15)' with a plus icon and a help icon.
