Missouri

Proponents' estimation of tax revenue is based on an analysis of Missouri Gaming Commission financial reports for the state's 13 existing casinos.

EXPANDING TOURISM IN MISSOURI

Destination Resort

A 100,000 square foot convention center with modern meeting and event space, complimented by a resort hotel and casino will attract new visitors and energize the surrounding community.

Luxury Amenities with Premier Hospitality

Family-friendly hotel and dining amenities will rival the state's most luxurious destinations, attract visitors, and deliver steady jobs and year-round career paths for area residents.

Tourism Driven Casino

A 60,000 square foot gaming floor will provide Missouri Gaming Commission regulated, safe recreational opportunities that strengthen the Lake's tourism-driven economy.

Developed by Missourians for Missouri, LOTO Gaming is committed to **making the lake a leader in state tourism** through premium amenities and a luxury casino resort experience that puts **dollars back into state and local economies**.
