THE AIM

Sexual abuse is a widespread issue that can be incredibly damaging, leaving victims feeling helpless and alone. In *Release the Butterflies*, two brave women, along with Author Tonya Maxwell, chose to speak out about their personal experiences with it, hoping to raise awareness and inspire positive change. Through sharing their stories, they aim to educate society, challenge harmful beliefs and attitudes, and promote policy, legal, and cultural changes that can prevent sexual abuse and support survivors.

READERS REVIEW

"Eye Opening!" Releasing *The Butterflies* is a gateway to forgiveness, self love, and healing. I commend you all! Abena USA

Amazing Read! Definitely a great read! I love the workbook and the whole message of healing and forgiveness. Anonymous USA

A book of Healing! This book, I believe, creates a safe space and comfort, and guidance to heal. I also love how the book is interactive. JaLena USA

Sharp, Practical Insights Abound! Release the *Butterflies* is not just a book; it's a resounding call to action and a balm for the soul of survivors of sexual abuse. IST USA

A must-have! This book is a straightforward guide and tool on how to do the work required to heal from past trauma! It gave me a lot of insight and perception I didn't even realize I needed. Bialo USA
