# ARTISTS IN MOTION DANCE STUDIO

## THE STUDIO

Our space is over 2900 sq. ft. We have 2 studios equipped with spring wood floors. These special floors have an air space between the wood and the foundation that acts as a cushion. This helps reduce and prevent shin splints and other stress related injuries.

## OUR GOAL

Our goal is to give the finest possible training in dance while at the same time guiding our students toward developing their minds and personalities through learning self-discipline, responsibility, mental alertness, physical fitness and working with others. The final result being a positive self-image. Artists In Motion believes through these things our students will build character that will guide them through school functions into adulthood.

All this is accomplished through proper Ballet training.

**Tap:** Tap classes are 45 minutes to 1 hour and are offered to 8 yr. olds through adults. Tap is America's folk dance with roots in Irish step dance and African Juba. AIM's technique is based on the styles of the first generation hoofers of Vaudeville, jazz clubs and Broadway. Tradition is taught with emphasis on musicality, relaxation and individuality.

**Contemporary:** A popular form of dance which developed during the middle portion of the twentieth century and has since grown to become one of the dominating performance genres for formally trained dancers throughout the world, with particularly strong popularity in the U.S. and western Europe. Although originally informed by borrowing from classical, modern and jazz styles, it has since come to incorporate elements from many styles of dance, but due to its popularity amongst trained dancers and some overlap in movement type, it is often perceived as being closely related to modern dance, ballet and other classical concert dance styles.

**Hip Hop:** Rhythmic and isolated movements usually to music, using prearranged or improvised steps and gestures derived from street dancing which is a dance style that evolved outside dance studios in any available open space such as streets, dance parties, block parties, parks, school yards.

Tap shoes or clogging shoes with 2 piece taps may be worn. It might include formations from Square dancing or incorporate a style from Tap. Classes are offered for 8 yr. olds through adult.

## **Shoes and Clothing for Classes**

**PARENTS:** It is important that your child is dressed correctly for their class. Dance is an art that not only strives to fine-tune the mind and body, but it also teaches discipline. In order to achieve this, your child must be properly attired for their class. Please have your child's hair pulled back in a ponytail or bun for class. If you have questions, please ask Brenda.

**Tiny Dancer:** Barefoot, pink ballet shoes or tennis shoes. Parents and guardians – ballet shoes or tennis shoes.

**Creative Movement & Combination:** Leotards can be any color, tights (pink, black or tan), pink Ballet shoes for girls, black ballet shoes for boys, and black Tap shoes. Tap shoes should have buckles, Velcro or black elastic instead of ties. This makes it easier for your child to change shoes and they do not come untied.

**Pre-Jazz:** Any color leotard, tights, black jazz shoes. You may wear jazz pants.

**Jazz:** Same as pre-jazz.

**Ballet:** Any solid color leotard, tights, pink ballet shoes and hair in a bun.

**Tap:** Leotard, tights, and black tap shoes are acceptable. Jazz pants and dance tops are acceptable. If you are not in a combination class, you need to purchase tap shoes that lace. Capezio and Bloch are the best brands.

**Hip Hop:** Loose fitting pants and dance top. Please make sure that the tennis shoes you wear are non-marking and do not have rocks or dirt on the soles.

**Tumbling:** Any color leotard without tights, or with footless tights. You may wear bike shorts or soccer shorts over the leotard. Boys may wear T-shirts and shorts.

**ALL CLASSES:** Hair should be in a ponytail or bun for all classes. No food, drinks or gum are allowed in any of the class rooms or lobby. Please eat and drink in the break area at the back of the lobby.
