Who Should Attend?

- Family Physicians,
- Transplant Consultants,
- Physiotherapists,
- Occupational Therapists,
- Nurses,
- Patient Support Groups

Why?

The improved survivorship post transplant has shifted the burden of the suffering from disease associated to treatment-related complications impacting patient's quality of life.

Where?

Academic Centre, Maidstone Hospital,
Kent, ME16 9QQ

When?

19th & 20th Oct 2019
(Saturday & Sunday)

PARTNERS WITH WORKING PARTIES FROM:

WCPT Network for HIV/AIDS,
Oncology, Hospice and
Palliative Care
