16 Speakers from over 7 Countries

Only £50 GBP for 2 days of CPD

Who Should Attend?
- Family Physicians,
- Transplant Consultants,
- Physiotherapists,
- Occupational Therapists,
- Nurses,
- Patient Support Groups

Why?
The improved survivorship post transplant has shifted the burden of the suffering from disease associated to treatment-related complications impacting patient’s quality of life.

Where?
Academic Centre, Maidstone Hospital, Kent, ME16 9QQ

When?
19th & 20th Oct 2019 (Saturday & Sunday)
